Dear Sharon Springs Athletic Association,

On behalf of the Board of Directors, staff and clients of Forsyth County Family Haven thank you for donation of \$3,339.33 to support victims of domestic violence. Your generous donation will be used to augment costs for crisis calls, housing, counseling, transportation, healthcare, childcare and much more. Of all the charitable organizations you could have chosen, you chose us.

The financial support you continue to give is invaluable. With heartfelt gratitude, we thank you and appreciate you for all you do!

For those we serve,
