GENERAL INFORMATION

Practices for all divisions are at the White Plains High School. Practice starts for all divisions on Saturday August 17th, except for the 7/8th Grade Division who start on Monday August 12th. Weekday practice is from 6:00PM to 8:00PM. For specific information not indicated in the flyer we encourage you to visit our website.

Financial Scholarships Available:

No youth will be denied participation because of an inability to afford such recreation. Discounts are available for our program to eligible White Plains families upon proof of income.

It's our honor & pleasure to teach the game of football to your child, and what learning the true spirit of competition will do for them academically, physically, psychologically & socially.

TACKLE FOOTBALL*

Our Tackle Football Program 3/4th Grade Division & 5/6th Grade Division compete in the Scarsdale Recreation Youth Football League (SRYFL) & the 7/8th Grade Division in the Westchester United Football League (WUFL). These divisions practice 6 days a week prior to school and *only* 3 days a week when school resumes. Practice Attendance is integral to player development which is our ultimate mission, and game playing time. SRYFL Games are played on Saturday mornings with start times, traditionally from 8:00am for 3rd/4th Graders, 10:00am for 5th/6th Graders. 7th/8th Graders will play on Saturdays or Sundays around 10:00am. We'll play some games at night under the lights if scheduling permits. The official season begins September 14th and ends on November 10th with the SRYFL Super Bowl Games, where we host 18 teams in an event to close the season. The WUFL ends with a pro bowl style game on November 16th. *grade as of start of school in fall.

3RD GRADE DIVISION*

This is a great stepping stone in progression for transitioning from flag football to tackle football, as players start out on the same equilibrium together as newcomers to tackle football. We implemented this division last year to rave reviews. The transition from flag to tackle can be a challenge and sometimes an overwhelming experience. This will allow for more game time experience which is invaluable. Practice will be 4 days per week prior to school, 2 days a week when school resumes. Our team(s) will compete in the Harrison Youth Football League. Games are on mostly Saturday afternoons. The official season starts on October 2nd and ends on November 9th. *grade as of start of school in fall.

FLAG FOOTBALL GIVE YOUR CHILD THE RIGHT START!

Flag Football (Kindergarten - 2nd Grade*) practices 3 days a week prior to school and 2 days a week when school resumes. Our program primarily competes in-house and on occasion with teams from Rockland & Westchester County. Our focus is the introduction to the game, player development, and most importantly fun! Games on mostly Saturday afternoons. Games start on September 14th. *grade as of start of school in fall.

REGISTRATION FEES

We strive to provide your child with the most positive, safest and most instructional youth sports program. Players are *only* responsible for purchasing football cleats and an athletic supporter/cup. We spare no expense in providing the safest equipment and easiest to care for apparel possible. From the top of the line helmets, hard cup chin straps, anti-microbial shoulder pads and protective back plates, to the machine washable/ dryer ready integrated football pants with the pads sewn in. We provide attire and equipment for the entire season for both practices and games.
