

In Tooele Girls Softball (TGS) is a non-profit recreation fastpitch softball league comprised of over 15 volunteer board members, dozens of volunteer coaches, and nearly 350 athletes from all of Tooele County.

TGS promotes a high standard of personal integrity, respect, and sportsmanship, as well as a strong sense of community achieved through enthusiasm, teamwork, and dedication. Board members, parents, and coaches use these standards and citizenship as a requirement for participation in this program.

League operating costs such as uniforms, team pictures, and equipment maintenance are primarily derived from player registration fees. However, additional costs such as new equipment, all-star uniforms, and tournament entries are offset by charitable donations from our generous sponsors.

Each year, we hope to raise money to purchase new equipment (bats, batting helmets, catcher's gear, etc.). We also plan to send an all-star team from each age group (ages 8 – 18) to 4 Amateur Softball Association (ASA) sanctioned tournaments each summer. Donations would greatly help offset the cost of uniforms as well as tournament entry fees.

We appreciate your generosity and continued support of these young ladies. By making a tax deductible donation to TGS, you become an important part of our community and help make this league a success.

Best regards,

Your TGS representatives
