"Where Champions are formed"

August 18, 2015

From the Desk of the President

Where did the summer go? It's hard to believe we are back it again. I hope everyone had a relaxing summer and the time spent with our young ones was memorable. Now that week 1 is done, we can really roll up our sleeves and start bringing things together. Team moms should be assigning concession times. I know some of you are groaning about having to help out, but I assure you it's painless and you can actually have a little fun. Remember this is a milestone year for the Lions. We are celebrating 50 years of service to our community. 50 years of Family and Friendship. I welcome you all back and I'm looking forward to a great season.

Weekly Announcements:
