“Leaders Impacting Our Neighborhood Successfully”

September 1, 2015

From the Desk of the President

Where did the summer go? It’s hard to believe we are back at it again. I hope everyone had a relaxing summer and the time spent with our young ones was memorable. Now we can really roll up our sleeves and start bringing things together. Team moms should be assigning concession times. I know some of you are groaning about having to help out, but I assure you it’s painless and you can actually have a little fun. Remember this is a milestone year for the Lions. We are celebrating 50 years of service to our community. 50 years of Family and Friendship. I welcome you all back and I’m looking forward to a great season.
