

# The Wrestling Regional Tournament

I was watching  
my friend wrestle  
she won, it was  
my turn I won to. The  
score was 8 to 7 it was  
going hard to beat him.  
I almost cried. I had  
a break between  
the matches. I was  
talking to my friend.  
Then the second

match

begins

now

I was watching my  
friend wrestle again <sup>SHE LOST</sup>  
BUT SHE <sup>A</sup> DID A VERY VERY

GOOD JOB. NOW IT WAS  
MY TURN

I GOT MY FIRST  
PIN THIS SEASON

I BELIEVE HE  
DIDN'T EVEN TRY  
TO GET UP

ha ha ha

When I told my  
MOM I THINK SHE  
DIDN'T EVEN BELIEVE

Me. Now to the  
last round

I was eating my  
lollipop I could not  
see my friend wrestle  
because the wrestle  
tournament was  
about over so she  
had to move to  
mat 8. Now it  
was my turn I was  
going for first place  
I got on the  
mat I got into  
the wrestle position.  
Then he took me  
down to the ground.  
Then I got

UP AND THEN HE  
TOOK ME DOWN TO  
THE GROUP AND  
I GOT UP AND  
DID THE COW  
CATCHER ON HIM

AND I WON FIRST  
PLACE. I COULD NOT  
BELIEVE IT THE  
SCORE WAS 4+06

THE END

I COULD NOT HAVE  
DONE IT WITH OUT
