

May 14, 2018

Dear Hayes & Dempsey Parents,

We are very excited that the Hayes & Dempsey athletic departments have partnered with FinalForms, an on-line program that will enable you and your student to complete and file your athletic forms electronically. The most exciting news is that FinalForms saves data from season to season and year to year, meaning that you will never need to enter the same information twice! FinalForms pre-populates information wherever possible, for each of your students, saving you time.

FinalForms is immediately available for all students for the upcoming 2018-2019 school year. The ONLY form that you are required to actually print, complete, and file in the athletic department, is the actual OHSA Physical form. The physical form must be completed by the doctor and by law we are required to have a signed copy on file. Once your student's physical is received by the athletic department, we will then input the expiration date into FinalForms. You will receive automatic notifications when your student's forms need to be updated. If your student has a current physical on file, that information will be input by the athletic department.

Click on the Parent Registration guide to get started in FinalForms. The link is available on the Hayes and Dempsey web pages. We are asking that ALL parents and student athletes use FinalForms. Even if your student's current physical paperwork does not expire until after the new school year begins, please register at <https://delaware-oh.finalforms.com/> now and electronically complete all the forms!

Thank you for your assistance in streamlining our paperwork process.

Sincerely,

Steve Glesenkamp, Athletic Director  
Hayes High School

Karla Delong, Athletic Director  
Dempsey Middle School
