Ridley Park Athletic Club

Dear Friend of RPAC,

The Ridley Park Athletic Club, (RPAC) is a volunteer, non-profit youth organization founded in 1961 to benefit the children of Ridley Park and the surrounding communities. The RPAC volunteer directors and coaches organize and administer sport programs that teach children individual sport skill, team skills, sportsmanship, and fair play. Our programs include baseball, softball, football, and cheerleading. RPAC provides children with a safe environment to play, using safe equipment, at a low cost. Donations and sponsorship make this possible. RPAC needs the help of local businesses to sponsor teams and give donations to sustain a low cost to families and maintain access to all children that want to play in the programs regardless of their ability to pay.

The Ridley Park Athletic Club would like to extend an opportunity to your company to join our volunteer youth organization as a sponsor of our sports programs in the coming season. The directors of RPAC are soliciting the businesses throughout the community for some financial help and your company is highly recognized by the people of Ridley Park. The Athletic Club truly hopes you will be able to help support our program. RPAC sporting and social events draw large numbers of people from the borough and many surrounding communities as well.

The Ridley Park Athletic Club is projecting a 2013 enrollment of over 500 children who will participate in our programs this year. This number is compounded when you think of the parents, grandparents, and other relatives of these children. In addition, the RPAC teams play teams from our surrounding towns, and their children and families attend our events, or we attend theirs. Sponsorship can provide awareness of your company to many individuals throughout the year.

If you are interested in sponsorship or simply giving a donation, please contact me directly, or complete the attached sponsorship form and send a check payable to RPAC to the address shown on the form. Please check your sponsorship interest on the form, and we will make necessary arrangements based on your choice.

Thank you so much for your help and support of our mission. Your dollars go straight to the programs for the children; there is no other use of them.
