

QA Soccer Club
P.O. Box 191
Centreville, MD 21617

Dear Local Business Owner,

QA Soccer Club is a nonprofit recreational youth soccer program made up of over 550 players each season. Participants range in age from three to fourteen years old. Our season runs from August through October each year, with practices and games being played in Centreville, at Rt. 18 Park and White Marsh Park, and in Church Hill and Sudlersville, at the parks there.

The club is looking for sponsors to provide funding in order to offset the cost for the 2017 Fall season. Donations received will help the Club purchase new equipment and, most importantly, help provide scholarships to children whose families do not have the financial means to pay for their child to play. During the 2016, season sponsorship donations allowed 13 children in our community to play the wonderful game of soccer.

We understand that our local businesses are repeatedly asked to help various organizations in the community, so please know how much we appreciate you considering our request. Enclosed you will find information detailing different levels of sponsorship available, along with a form to return to us. Please remember, no donation is too small as every dollar counts.

We would like to thank you, in advance, for your continued support and invite you to come to the soccer fields on any given Saturday morning this Fall. There is no doubt you will observe the enjoyment children are having while learning to play a great sport and most of all, having fun with their teammates.

Regards,

Steve Quincy
