## **2022 CANADA GAMES PROGRAM – FINAL ROSTER**

The Coaching Staff for the 2022 Canada Games Team would like to thank all players who have been a part of the Canada Games tryout process since the 2019 season. This process has been a long road for all players, and the dedication shown by everyone has not gone unnoticed. This has made the selection of the final roster very challenging for the coaching staff.

Players that did not make the final roster should be proud of their involvement in the program and know that their skill level has increased significantly throughout the process. It is this increase in skill level by each player that made the final roster decisions as challenging as they were.

Below is the final roster for Team NL for the 2022 Canada Games:

Brady Sheppard	Kody Butt
Braedan Walsh	Kody Thistle
Brandon Young	Logan Broderick
Cameron Pennell	Mark Torrville
Dylan Whelan	Matthew Flood
Eli Dunphy	Mitchell Noseworthy
Ethan Carter	Nicholas Smith
Hudson White	Ryan Symonds
Jaida Lee	Rylan Andrews
Joseph Wiseman	Thomas Hancock

***Alternates:***    Liam Ryan                      Nathan George

The Coaching Staff will be in touch with all players on the next steps moving forward as training, preparations and fundraising being for the upcoming year.

The Coaching Staff would once again like to express gratitude and thanks to all players that have been involved in the Canada Games Program since 2019, and offer congratulations to those that have been selected for the final team.
