

MARLBORO LITTLE LEAGUE ALL STAR COMMITMENT LETTER

CONGRATULATIONS! Your child has been selected to play for a Marlboro Little League All Star Team. Playing for an All Star team is an honor and requires a commitment from both the player and his/her parents. The following conditions are mandatory requirements of Marlboro Little League All Star participants.

- Attendance to all practices and games are mandatory. Parents must clear their child's schedule to avoid conflicts. The child must be available for the full length of the All Star tournament (please note that if your child's team advances in the tournament, this commitment may extend through the entire summer.)
- The Marlboro Little League is host to many All Star tournament games. It is the responsibility of the All Star families, managers and coaches to volunteer their time as designated by the Marlboro Little League to cover these tournament games. Duties may include, but not limited to tournament director, score keeper, announcer, kitchen help, etc.
- Players are not permitted to play for any other teams during the length of the tournament. (Exception for 13 to 16 year old players however, these players must participate in every All Star activity.)

By signing this form below, you agree to the above conditions and such other terms and conditions as directed by Marlboro Little League. Failure to comply with these conditions will result in the removal of your child from the All Star team and loss of eligibility for next year's All Star team.
