non-profit organization)

To whom it may concern:

Marlboro Youth Baseball and Softball Association, Inc. ("MYBSA"), founded in 1963, is a non-profit 501(c)3, all-volunteer and self-funded organization that provides the youth of our community an opportunity to learn and play baseball and softball in a safe and organized environment.

MYBSA is staffed exclusively with volunteer Board Members, managers, coaches and other operational staff dedicated solely to the athletic and social development of our community's children. The dedication of our volunteers is what makes MYBSA a successful program; we offer one of the finest baseball/softball facilities in central New Jersey, as well as the ability to play baseball/softball at all skill levels through a combination of Little League International and travel baseball/softball programs.

MYBSA is a self-funded organization which does not receive monetary assistance from Marlboro Township or the State of New Jersey. As such, we rely on the generosity of those in our community to support our organization. As we prepare for our 2017 season, we hope that you will consider supporting our annual fund-raising efforts this year. Your donation will enhance the baseball/softball experience for hundreds of Marlboro children by enabling us to make improvements to our fields and facilities, purchase equipment, and provide training.

In addition to our spring and fall baseball/softball seasons, in 2017 we plan to host five tournaments bringing thousands of players and family members to our community. Thank you for considering MYBSA for a tax-deductible donation this year. Our tax ID number is available upon request.

Sincerely,

MYBSA Board of Directors
