A Letter to All Middle Atlantic Region State Champions:

CONGRATULATIONS! On behalf of Babe Ruth Baseball and especially the Middle Atlantic Region I would like to congratulate you on your recent victory at the State level. You have trained hard to reach this level and must now meet a new challenge. I would like to wish each and every team good luck as they compete on the Regional level.

As you train for the Regional Tournament there are quite a few things that you must take care of prior to heading for the tournament. The following information is intended to help you to be better prepared for this tournament. Please take time now to read everything to make sure you are totally prepared and properly registered for the Regional Tournament.

Please refer to the general rules and instruction sections for a more detailed listing of what is required of you as a Regional competitor. Some items of importance would be your birth documents, tournament eligibility form, insurance credentials, roster/information sheet, and team photo. Please make sure all of these are taken care of before you go any further. If you have any questions, please consult your State Commissioner immediately.

Congratulations again for reaching this level. Good luck as you prepare for this next step. I look forward to seeing many of you compete as I visit each tournament.

Sincerely,

Ralph Errico, Commissioner
MIDDLE ATLANTIC REGION BABE RUTH BASEBALL

This includes parents, team scorekeepers, and fans.

- **Conduct:**

Each manager and coach is responsible for his personal conduct on and off the diamond as well as each team member's. All are officially placed on notice that we want everyone to enjoy themselves at the Regional Tournament, but that no conduct which could be interpreted as detrimental to the basic aim of Babe Ruth Baseball, which is "building better citizenship", will be tolerated. Any team or individual whose conduct is not above reproach will be disqualified and sent home without delay.

PRE-GAME RULES AND REGULATIONS

- **Infield Practice:**

Each team will be allowed ten (10) minutes fielding practice. The home team will start thirty (30) minutes prior to game time. The visiting team shall practice next for ten (10) minutes. The last ten (10) minutes prior to the start of the game shall be used for the introduction of players and for the ground crew to prepare the field for play.

- **Use of Batting Cages:**

- **Determining Home Team:**

There will be no flip of the coin to determine “home team” during the pool play phase of a tournament. The schedule will always read “visitor vs. home”. Every effort was made to ensure that each team is given the same number of opportunities to be the “home team”.

In the single elimination bracket games, the higher seeded team (as determined from their respective pools) will be the home team. In the event both teams to reach the final game are the same seed, a coin will be flipped to determine the home team.

DURING GAME RULES & REGULATIONS

- **Re-Entry Rule:**

There are two types of re-entry rules in effect.

Re-entry of nine starting players

Any of the nine starting players, including the pitcher, may withdraw and re-enter once, provided such player occupies the same batting position whenever he is in the lineup. A substitute who is withdrawn may not re-enter. For a more detailed explanation of this rule refer to the [RE-ENTRY RULE EXPLANATION](#) page in this book.

Babe Ruth Rules & Regulations: Re-Entry Explanation

Re-entry of an already used player

Will be permitted if all substitutes have been used and an injury occurs which prohibits the injured player from continuing in the game **OR** if all substitutes have been used and there is an ejection of a player from the game. The opposing manager must make selection of this substitute.

Babe Ruth Rules & Regulations: 11.05 – 9

- **Players Substitutions:**

A player, or players, may be substituted during a game at any time the ball is dead. A pitcher may change to another position only once during the same inning; e.g. the pitcher will not be allowed to assume a position other than a pitcher more than once in the same inning.

Official Baseball Rule 3.03

- **Trips to the Mound:**

Trips to the mound shall be limited to one (1) per inning per pitcher. The second trip in the same inning will result in removal of that player as a pitcher. Any effort to circumvent this rule will result in a trip to the mound being charged by the umpire.

Official Baseball Rule 8.06

Babe Ruth Rules & Regulations: Tournament Rules

- **Must Slide Rule:**

There is no “must slide rule” in effect for tournament play at any level of Babe Ruth Baseball. The “must slide rule” is a Federation rule, not an Official Baseball Rule or a Babe Ruth Rule & Regulation.

- **Intentional Walk:**

An intentional base on balls may be given by the defensive team by having its catcher or coach request the umpire to award the batter first base. This may be done before pitching to the batter or on any ball and strike count. The ball shall be declared dead before making the award.

- **Contact Rule:**

If a runner attempting to reach home plate or another base intentionally and maliciously runs into a defensive player in the area of home plate or another base, he will be called out on the play and ejected from the game. This is an umpire's judgment call.

Babe Ruth Rules & Regulations: Tournament Rules

- **Warming Up A pitcher:**

Anyone warming up a pitcher at any location shall wear a mask. A throat protector is considered part of the catcher's make.

[In addition, it is recommended that any player should wear protective headgear.]

Babe Ruth Rules & Regulations: Tournament Rules

- **Players Must Remain In Dugout:**

Players in uniform shall not address or mingle with spectators, nor sit in the stands during the game.

Players and substitutes of both teams shall confine themselves to their team's benches unless actually participating in the play or preparing to enter the game, or coaching at first or third bases.

Official Baseball Rules: 3.09 and 3.17

- **Illegal Bat:**

If any bat in Babe Ruth Baseball cannot be clearly identified for its make and model to determine the barrel composition, then the bat should be removed from the game. Refer to the [APPROVED and NON-COMPLIANT BATS](#) page in this book for penalties to be enforced.

Pitching Limitations Rules

Cal Ripken Baseball, Babe Ruth 13-15 Baseball, and Babe Ruth 16-18 Baseball - Tournament Pitching Rules These pitch count limitations will apply to all tournament games played in District, Area, State, Regional and World Series competition.

There are no limitations on the number of innings a pitcher may pitch in a tournament (bracket or pool play) game subject to the following pitch count limitations:

TOURNAMENT PITCHING REST REQUIREMENTS				
AGE	DAILY MAX (PITCHES IN A DAY)	REST PERIOD		
		0 Days	1 Day	2 Days
8-10	75	1-40	41-65	66+
11-12	85	1-40	41-65	66+
13-15	95	1-45	46-75	76+
16-18	105	1-45	46-75	76+

If the pitcher reaches the maximum pitch count limit while facing a batter, he may continue to pitch until the batter reaches base safely or is put out.

- A. **League Age 7** – No pitcher is allowed to pitch in more than six (6) innings in a day or a total of six (6) innings in two successive days. If a pitcher pitches six (6) innings in a day, the pitcher must have one (1) calendar day rest. If a pitcher pitches a total of six (6) innings in a day, the pitcher must have one (1) calendar day rest. If a pitcher pitches a total of six (6) innings in two successive days, the pitcher must have one (1) calendar day rest.
- B. **Intentional Walk Rule** – An intentional base on balls may be given by the defensive team by having its catcher or coach request the umpire to award the batter first base. This may be done before pitching to the batter or on any ball and strike count. The ball shall be declared dead before making the award.
- C. All pitchers must adhere to the pitch count rest requirements.
- D. All players have full pitching eligibility beginning at each level of tournament competition. (District, State, Area, Regional, and World Series)
- E. In a game suspended by darkness, weather, or other causes and resumed the following calendar day, the pitcher at the time the game was halted may continue to the extent of his/her eligibility, provided said pitcher has observed the required days of rest.
- F. Games in which an ineligible pitcher has been used, as specified above, shall be declared forfeited. The withdrawal of an ineligible pitcher after that pitcher is announced, or after a preparatory (warm-up) pitch is delivered, but before that player has pitched a ball to a batter, shall not be considered a violation. Tournament Officials are urged to take precautions to prevent protests.
- G. **Swing Player Options** - If a 15-year-old player swings up and participates on the 16-18 tournament team and pitches, they will abide by the 16-18 tournament pitching rules. Same would apply if a 12-year-old player swings up and participates on a 13-year-old tournament team, they will abide by the 13-15-year-old tournament pitching rule. Whatever the age of the tournament will determine the pitch count regardless of the player's league age.

Official Pitch Count Record

- A. The Tournament Director must designate the scorekeeper or another game official as the official pitch count statistician. The pitch count statistician shall record all pitches as defined in the rule book (Rule 2.00 – A pitch is a ball delivered to the batter by the pitcher.), in addition to any pitches delivered to the batter ruled a “no pitch” by the umpire.
- B. The pitch count statistician must provide the current pitch count for any pitcher when requested by either manager or any umpire. However, **the manager has the ultimate responsibility for knowing when his/her pitcher must be removed to meet the mandated rest requirements.**
- C. The official pitch count statistician should inform the umpire-in-chief when a pitcher has delivered his/her maximum limit of pitches for the game, as noted above. The umpire-in-chief will inform the pitcher’s manager that the pitcher must be removed. **However, the failure by the pitch count statistician to notify the umpire-in-chief, and/or the failure of the umpire-in- chief to notify the manager, does not relieve the manager of his/her responsibility to remove a pitcher when that pitcher is no longer eligible.**

Special Cal Ripken Division rules

- **Dropped Third Strike:**

For the Major/60 Division tournament - The batter becomes a runner when the third strike called by an umpire is not caught, providing (1) first base is unoccupied or (2) first base is occupied with two outs.

Cal Ripken Baseball Major/70 Division; Babe Ruth 13-15 Division; Babe Ruth 16-18 Division – Rule 8.05

- (c) Comment: Requires the pitcher, while touching his plate, to step directly toward a base before throwing to that base. If a pitcher turns or spins off of his free foot without actually stepping or if he turns his body and throws before stepping, it is a balk.
 - A pitcher is to step directly toward a base before throwing to that base, and is required to throw (except to second base) because he steps. It is a balk if, with runners on first and third, the pitcher steps toward third and does not throw, merely to bluff the runner back to third; then seeing the runner on first start for second, turn and step toward and throw to first base. It is legal for a pitcher to feint a throw to second base.
- (d) The pitcher, while touching his plate, throws, or feints a throw to an unoccupied base, except for the purpose of making a play;
- (e) The pitcher makes an illegal pitch.

Re-entry Rule Explanation

RULE: Re-entry - any of the **nine starting** players may withdraw and re-enter once, provided such player occupies the same batting position whenever he is in the line-up. A substitute who is withdrawn may not re-enter.

Note: If a player re-enters illegally as a pitcher, fielder, or runner, there is no penalty except that he must be removed from the game immediately when discovered. If he re-enters illegally as a batter, such illegal re-entry is penalized according to *Official Baseball Rule 6.07, Batting Out Of Order*.

Listed below are interpretations of the above rule:

1. When re-entered, the player must occupy the same batting position as he occupied when starting the game, i.e., a starting player and his substitute cannot be in the game at the same time.
2. A pitcher withdrawn from the game may re-enter immediately if withdrawn while a batter or base runner, if he was one of the nine starting players. If withdrawn while he is on the mound pitching, his substitute must fulfill *Official Baseball Rule 3.05b* before he is permitted to re-enter the game.
3. All other starting players may be withdrawn and re-entered immediately or anytime at the discretion of the manager.
4. A substitute may replace a substitute and the starting player may still re-enter for the substitute, i.e., starting player Jones is replaced by substitute Smith; substitute Smith is replaced by substitute Clark. Starter Jones is eligible to replace Clark.
5. A starting player withdrawn from the game more than once cannot re-enter.
6. Withdrawal and re-entry takes place only when a player has been removed from the game.
7. If the pitcher is removed from the game because of a second trip in the same inning, he **may** re-enter the game in any position with the exception of pitcher, if he was one of the nine starting players.
8. The provisions of Official Baseball Rule 3.05 govern the starting pitcher. He must be in compliance with the *Babe Ruth Rules & Regulations 11.05 - 4 and 11.05 - 6* in order to re-enter as a pitcher.

Determination of Pool Play Standings

When competition begins with pool play format, each division will play a pool play schedule as determined by the commissioner under whose jurisdiction the tournament falls.

At the end of the pool play schedule, a pre-determined number of teams from each division will advance to the single-elimination competition. Participating teams will be advised, in writing, prior to the start of tournament competition how many teams will advance to the single-elimination round. (Remember, under the new tournament pitching rule as stated in number 3, the pitching does **NOT** reset for the single elimination round).

Pool play standings will be determined as follows:

1. **WIN – LOSS RECORD**

The tie breakers are used in order to advance or seed ONE team at a time. Each time a tie is broken to advance one team, leaving a tie between two or more teams, the situation reverts to criterion #2. (Head-to-Head results).

If still tied:

2. **RESULTS OF HEAD-TO-HEAD COMPETITION**

Example: Three teams are tied with identical records for the first place at the end of pool play. Teams A, B and C played against each other once in pool play. Team A won all of its games Team B and Team C during pool play. Result – Team A advances, which creates a two-way tie between Team B and Team C. That tie then is broken by reverting to criterion #2.

If still tied:

3. **FEWEST RUNS GIVEN UP**

If the results of the head to-head matchup(s) of the teams that are involved in the tie cannot break the tie (because no team defeated each of the other teams in the tie each time they played, or because no team has defeated all of the other teams involved in the tie, or because the teams involved in the tie did not play one another during pool play, then the tie is broken using criterion #3. The remaining teams tie is broken by reverting back to criterion #2.

If still tied:

4. **RUN DIFFERENTIAL WITH A MAXIMUM OF 10 PER GAME**

In the event a tie is created by virtue of a forfeited game, and the tie cannot be broken by criterion #2, the order of Criteria #3 and #4 will be reversed and applied to the tie. Since the number of runs which might have been scored during the game may have affected the fewest runs allowed standing (and the awarding of the forfeit gives the “winning team” no additional runs given up), this order will better adjust for that event.

NOTE: The official tiebreakers issued by Babe Ruth League, Inc. for pool play must be used.

Pool Play Tiebreaker Example

Example of Scores of a 5-Team Division Showing How to Seed 1st, And 2nd Place

Game 1	DE	5	ENY	1	Game 6	ENY	8	PA	5
Game 2	ENY	4	MD	1	Game 7	NNJ	2	ENY	1
Game 3	MD	6	DE	3	Game 8	MD	4	PA	0
Game 4	DE	5	NNJ	2	Game 9	NNJ	6	MD	0
Game 5	PA	4	DE	1	Game 10	NNJ	4	PA	0

Criteria # 1: Win-Loss Record

Northern NJ (NNJ) finishes in first place with 3 wins and 1 loss.

Pennsylvania (PA) is eliminated with 1 win and 3 losses.

Eastern NY (ENY), Delaware (DE), and Maryland (MD) each have 2 wins and 2 losses, resulting in a three-way tie for 2nd place. These three teams now move to Criteria # 2. (After applying the tie-breakers, one team will move into 2nd place, and the other two teams will be eliminated.)

Criteria # 2: Results of Head-to-Head Competition

DE defeated ENY, ENY defeated MD and MD defeated DE. These three teams are still tied, and the tie-breaking process will move on to Criteria # 3.

Note: If, however DE had defeated both ENY and MD, and ENY defeated MD, the three-way tie is broken at criteria #2 and DE would be awarded 2nd place.

Criteria # 3: Fewest Runs Given Up

ENY allowed 6 runs, while both DE and MD allowed 7 runs. Therefore, the three-way tie is broken at Criteria # 3. Both DE and MD are eliminated and ENY is awarded 2nd place in the Division.

Note: If, for example, in criteria # 3, ENY, DE and MD had all allowed an equal number of runs, the three teams would still be tied, and therefore the tie-breaking process would move on to criteria # 4.

If, however, ENY had allowed a total of 8 runs and DE and MD had each allowed 7 runs, the three-way tie would have been broken. In this case ENY would have been eliminated, and DE and MD would still remain tied. Those two teams would revert then revert back to Criteria # 2 in order to break the two-way tie. Since MD defeated DE 6-3 in Game 3, MD would be awarded 2nd place in the Division.

Criteria # 4: Run Differential (Maximum of +/- 10)

Run Differential = (Score of team being determined) – (Score of opposing team) for each game.

DE (5-1) + (3-6) + (5-2) + (1-4) = (+1)

ENY (1-5) + (4-1) + (8-5) + (1-2) = (+1)

MD (1-4) + (6-3) + (4-0) + (0-6) = (-2)

MD is eliminated because they had the (-2) run differential. Both DE and ENY are still tied; therefore, the process would then revert back to Criteria # 2 to break the two-way tie. Under this scenario, DE by virtue of their win over ENY would be awarded 2nd place in the Division.
