

“Printer and Copier Ink Cartridge Recycling”

Printer and Copier Ink Cartridge Recycling
Can be Profitable to the Church

As an effort to recycle and also make a few dollars profit, the church is collecting empty printer ink cartridges and empty copier cartridges.

You can bring your empty ink cartridges and empty toner cartridges to the church and place them in the designated box located in the hallway outside the RJ Room.

Because the ink/toner can be very hazardous, the following restrictions apply.

Cartridges must not be broken and be completely empty!

ALL CARTRIDGES MUST BE SEALED IN A PLASTIC BAG.

If you have any questions you may contact Mary Freyer.
