### **What's new for 2010-2011?**

A lot. At the elementary, we are making K5 a full-day program, starting an enrichment center, hiring a part-time music teacher, and installing a new playground. At the Secondary, plans are being drawn up for a 500-seat game gym to be built at the Mockingbird Campus.

**Is it any wonder we have experienced significant growth over the past few years?** Our Secondary campus alone has grown from 89 students to 145 students in the last two years. **When you send your children to Faith Academy you are investing in their academic, social, and spiritual development.**

We are committed to partnering with you to provide a quality, Christian education that develops the whole person so that students may

**Discover** who God is, His purposes, His plans and His promises  
**Develop** a Biblical worldview, Christ-like character, and essential knowledge and skills  
**Deploy** their gifts and talents for Christian service and witness all for the glory of God.

**In the re-enrollment packet you will find the fee structure and all the information needed to enroll your child for the 2010-2011 year.** Our overall cost reflects our commitment to make Christian education affordable and keep Faith Academy as the best value in Victoria.

### **A few highlights:**

- **Save \$50**—Pay registration fee in full by April 26, 2010 and save \$50 per student off registration fees.
- **Technology fee (\$35)**—our goal is to provide the best educational technologies for our students to enhance the learning experience. This fee will enable us to maintain our current system, upgrade equipment and purchase new software.
- **Athletic Fee Changes**—Both TAPPS and the referee association have increased their fees the past two years. In order to provide the same level of service and quality of program the fees have been increased.
- **Refer & Earn**—You are our best advertisement. We will give \$100 to any FA family that refers a new student who enrolls. The new student must list referrer's name on application, pay registration fees and be enrolled for a minimum of three months. February 9<sup>th</sup> will be our Open House.
