The LVCCC offers clean and ample rooms that provide for the care and safety of the children. The LeValley Childcare Center is State inspected yearly. A constructive classroom area is used daily with emphasis placed on learning and preparing the children for Kindergarten with age appropriate activities and curriculum. When weather permits, an outdoor playground is available and used daily.

Playtime, naptime and lunch are held in the fellowship/activity room located on the main floor of the Church building. The fellowship/activity room includes a large kitchen which is certified and inspected by the local health department and is where a variety of nutritious meals are prepared and served.

Director Donna Andres and a staff of eight caregivers are ***Certified Instructors*** and are capable and willing to love and care for the children as they learn, play and grow in a Christian environment!

The LeValley Christian Child Care Center is located at 4018 Kelsey Hwy., Ionia, Michigan 48846 (Corner of Kelsey Highway & David Highway Intersection)
