Feb. 1st-Thailand "milk carton" money due.

*I press on toward the goal for the prize of the upward call of God in Christ Jesus.
Philippians 3:14*

Online Mission Trip

Christ Lutheran Pre-Kindergarten is proud to partner with Lutheran Hour Ministries International through the online mission trip to Thailand during the week of January 27th. The international partnership is providing a "hands-on" mission experience without leaving the classroom. Through videoconferencing live segments from Saint Louis, Missouri and Bangkok, Thailand plus pre-recorded ministry-in-action videos, children from all over the United States and Canada will provide

a Gospel witness in word and deed to our Thai brothers and sisters in Christ. As participants we will:

- Learn about Thailand and the work of the LHM-Thailand ministry
- See ministry in action through the LHM-Thailand Holiday Outreach to Schools program
- Learn about the culture and what life is like for a child, Gattiga, and LHM ministry partners
- Raise awareness about those in need and encourage one another in prayer and action

Each student will bring home a milk carton for collection of money in support of the Thailand online mission trip. The money collected will be sent to Lutheran Hour Ministries for use in spreading the Gospel in Thailand. As we participate together, please pray that God would find ways to use it to bring many of our Thai friends and U.S. and Canadian neighbors into His kingdom.

Please return the "milk cartons" by Friday, February 1st.

Thank You!

The faculty and staff of Christ Lutheran Pre-Kindergarten extend our thanks for the many gifts and greetings we received from our Pre-K families during the Christmas season of 2012. We appreciate each and every one of you!

Enrollment

Enrollment for summer 2013 and the 2013-2014 school year begins on January 14th. Be sure to pick up an enrollment packet from the school office on January 14th. We will open enrollment to the public on January 22nd.

And behold,
I am
with you
always,
to the end of
the age.

Matthew
28:20

Developmental Screenings

Are you interested in having objective information about your child's development? If so, please schedule an appointment with Mrs. Heiss for your child's developmental screening. This information can be important for Kindergarten entrance as well as a great tool for tracking your child's progress. Please call the school at 816-741-8031 or christpk@christlc.com to set up an appointment.

This screening is free and is open to any child ages 2-6 years old. Please invite friends from the community to sign up for the screenings!

Just for Parents

We are preparing to help your child make a smooth readjustment to school after the Christmas holidays. Please let us know if we can do anything to help your child get back in the routine of a school schedule.

We are pleased with the progress made by our students so far this year. Report cards tracking this progress will come home in backpacks no later than January 10th. The children have been learning letter sounds and some of our older students are starting to read from real books! You can help your child by reviewing letters and sounds at home along with listening to your young readers sound out words.

If we have another snow day, try some scissor skills at home by making paper snowflakes. Printer paper or coffee filters work well for this fun activity.

We anticipate an interesting and profitable year right through our last day of school. Thanks for letting us teach your child!

Snow Days

If the Park Hill school district is dismissed for inclement weather, so is Christ Lutheran Pre-Kindergarten.
