

The Christian Education committee at JMPC would like to introduce Jackie Freyer to the congregation. As you recall, in June of 2010 the Session of JMPC, in an effort to enrich the high school youth ministries, voted to approve a part time position. Since that time, a committee has been searching and interviewing candidates. We are delighted that God brought Jackie to JMPC. She brings experience with youth fellowship, a sincere Christian faith and much enthusiasm to the position. She begins her position at JMPC in late August. She will be working for ten hours a week with the teens and the senior high leadership team. Welcome Jackie!

*Hello, my name is Jackie Freyer and I am so excited to be joining John McMillan Presbyterian Church as the Youth Associate. I grew up in Murrysville and currently still live there, although I plan to move to the South Hills soon. I work for a residential group home located on the North Side of Pittsburgh called Pressley Ridge. I have an older brother who is the Director of High School Ministry at a local congregation. He is a big reason for my interest in youth ministry. In 2007, he helped me apply to Pine Springs Camp to be a counselor for the summer and I have fallen in love with ministry ever since. I worked at Pine Springs for another 2 summers after that one and between summers, I have volunteered on Wednesday evenings with youth groups. After many conversations with my brother, I realized how greatly I wanted to work in ministry myself.*

*Once I heard about the opening at John McMillan, I was excited to think this may be my opportunity to dive in to youth ministry. I look forward to meeting you all and to seeing where God takes us on this incredible journey.*
