

The 2012 Sr. High Mexico Mission Trip

This year's dates:

August 2 - 6, 2012

- Thursday: Our group (Numbering 7 - 11?) departs in two or three vehicles (Individuals bring only sleeping bag/pillow, toiletries and clothes. No need for us to bring food, cooking equipment, tents, tarps, water containers, tools, etc.) We overnight at a Motel 6 near the border (San Ysidro).
- Friday: We're up early, checking in with AMOR at San Ysidro and being led across the border and straight to the work site. We would start building on a pre poured concrete pad. We work all day, then are led to the campsite.
- Saturday: We travel to the worksite, work all day and travel back to the campsite.
- Sunday: We travel to the worksite, finish the second coat of stucco and are led back across the border. We travel to Pomono and overnight at a Motel 6.
- Monday: We travel home, arriving by 4:00 pm.

Fee structure

Sr. High	\$500.00w
Adult College	\$300.00

(\$100.00 discount for vehicle donation)

Please note that participant fees do not cover the full cost of the trip.

Additional trip costs

AMOR charges us a \$400 fee for each participant. This fee pays for our building materials, tools, food, water and tents. Beyond this fee we will likely need (roughly) an additional \$1,500 to \$2,000 to fund the trip (to pay for gas, two dinners on the road, Motel 6 etc.).
