

Young Life is about teens finding hope in Jesus. It starts with prayer, and a few adults who are concerned enough about kids to go to them, on their turf and in their culture, building bridges of authentic friendship. These relationships don't happen overnight — they take time, patience, trust and consistency.

Loving kids regardless of their responses.

So Young Life leaders log many hours with kids — where they are, as they are. We listen to them and learn what's important to them because we care about their joys, triumphs, heartaches and setbacks.

To kick start YL at NHS, Jeremy Holman and Julie Parker took 15 NHS students to YL camp on Lake Champion in upstate NY with 80 students and adults from Hampton Roads. Many of those kids met Jesus for the first time. Others rededicated their lives to Christ. All of them had a fantastic camp experience.

Jeremy Holman will be leading Young Life at Northampton High School beginning this fall. Jeremy is a mental health social worker and former track coach and high school teacher. He is married, has two daughters, and is involved in youth ministry at Cape Charles Baptist Church.

The goal of the ESVA YL Committee is "That every adolescent on the ESVA will have the opportunity to meet Jesus Christ and follow Him." To accomplish this, we are seeking volunteers and donations from members of **every church on the ESVA** that shares our goal of bringing kids to Christ. Please get involved, either through giving, joining the YL ESVA committee, or by volunteering on site with kids.
