VBS Photos

Pictures are a vital part of telling a story and allowing others to see how our children and adult members experience and share in our activities while learning about our Lord Jesus Christ. We would like to display pictures taken during VBS at Grace Church.

We sometimes incorporate prints on our church website. The safety of our children and adult members is very important to us, so no personal information is ever included with the photos. Please indicate if you would like to opt-out of posting pictures.

Names are not associated with pictures and are limited to church use only as stated above. OPT-OUT
