Prayer Update October 2009- Bill and Suzanne

1. New ladies continue to join Pam and Suzanne's ESL class! Women from Pakistan, Bangladesh, Morocco, Guatemala, Mexico, the Ukraine, and Vietnam currently make up the class. Please pray we would share the love of Christ in our actions and through our words. Ask the Spirit of the Lord to draw them to the Savior.
2. Tomorrow Bill flies to the West Coast to participate in a conference for workers from various Muslim ministries in North America. Much wisdom and care is needed as they discuss different ministry methods.
3. Pray for Bill as he networks with Muslim friends within one particular mosque community. He has attended some Islamic theology classes there and hopes to continue. He also has a burden simply to pray for this community while they go through their prayer ritual.
4. Over Ramadan we had the joy of breaking the daily fast one evening with "family Z" and listening to how they understood the significance of this special month of fasting. Bill is quite close to "Z" and was very encouraged with our two families being together over a meal in their home.
5. We need your prayers for the Lord's protection over our physical and emotional well-being. Suzanne experienced a rather prolonged episode of vertigo which was diagnosed as BPPV and treated by a maneuver in an ENT office. Bill and Stephen need operations for polyps in their sinus cavities. Bill's surgery-Oct. 29. Stephen's surgery-Dec. 29. We are quickly tempted with fear and anxiety about health issues. Please pray we would rest in the Lord and seek the Lord's strength and wisdom for how to care for ourselves. Thank you for praying for this request because it can quickly affect our ability to love and serve others.

We so much appreciate your part in the battle with us!
