

Love In[Deed] gives stakeholders the chance to help purchase 31.51 acres (at \$2,500 per acre) connected to the current property. Love In[Deed] is based on 1 John 3:17, “Little children, let us not love in word or talk but in deed and in truth.” (NIV) Since her inception in 1961, Gasconade Christian Service Camp has been training young men and women to show their love in deed and truth. **Gasconade** (river) is where we are, **Christian Service** is what we train campers for, and **Camp** is the modality in which we train them.

With this land we will be able to expand our ministry and buffer zone around the camp. This not only gives us more protection, but would allow us to add walking trails, primitive camping sites, a low ropes course, and much more!

Consider purchasing a “quarter”, “half” or “whole” acre. There are no limits to how many acres you can buy; any monies given above the purchase price will be used for land betterment. With each purchase you will be given a “Deed of Investment” to show your support and love of Gasconade Christian Service Camp and the Creator.
