Mr. Tommy Colley
State of Alabama
Manufactured Housing Commission
305 S. Decatur St.
Montgomery, AL. 36104

Dear, Mr. Colley:

After review of the information and test data sent to me pertaining to the all steel foundation systems Models 1100IT "V", 1100IL "V", I am satisfied that these systems meet the requirements of the Manufactured Housing Construction and Safety Standards, sections 3280.305 and 3280.306. I hereby approve the use of the above mentioned systems for use on all applicable homes manufactured by Four Seasons Housing Inc. for use in Wind Zone 1 & Wind Zone 2 areas.

These two models have been added to the Oliver Technologies list of approved systems in our DAPIA manual. Should you have any additional questions feel free to call me during regular business hours at the telephone number listed above.

Sincerely,

A handwritten signature in black ink that reads "Craig A. Craft". The signature is written in a cursive style.
