Montgomery, AL 36104

Dear Mr. Colley:

General Manufactured Housing, Inc. approves the use of the "All Steel Foundation Systems" by Oliver Technologies on new or used "General" homes, in Wind Zones 1 and 2, as a supplement to our existing setup procedures provided the following conditions are met:

- Local jurisdiction has approved this system.
- System is to be completely installed as per manufacturer's installation instructions.
- Pier blocking and footings continue to be installed as per General Manufactured Housing, Inc.'s setup manual.

The same applies for any and all model lines (General, Jaguar, Augustine, etc...) produced by any General Manufactured Housing facility and includes the following All Steel Foundation Systems Model numbers:

1100-I "V"
1100-II "V"
1100-IC "V"
1100-IIC "V"

If you may have any questions and/or comments, please do not hesitate to contact me by telephone at (912) 285-5068 or email me at sean@accessatc.net.

Sincerely,

Sean Oglesby
Assistant Director of Engineering
