RE: ABS Pads & Adjustable Outriggers

As per your request, we are faxing this to your Tennessee factory and forwarding the hard copy to you at

Lon Larson
562 Glenheather Way
San Marcos CA 92069

The Manufactured Housing Licensure Board met July 6, 2000 and approved the following items for use in the Commonwealth of Kentucky.

- 1) ABS Pads - These were approved for single-wides only.
- 2) Adjustable Outriggers - These were approved conditionally. They must be installed only as directed by instruction from Oliver Technologies and per each individual Manufacturer's specific instructions of where they can and cannot be placed.
