To Whom it may concerned,

This office is familiar with the ABS Pads being offered by Mobile Home Safety Products and Construction Co., Inc. Although the State of South Carolina has no mechanism to approve this product, it is clear that based on test data received, this product can meet the minimum installation guide-lines as they pertain to manufactured Housing installation requirements for the State of South Carolina.

If you need any further assistance please give me a call (803) 734-4255.

Sincerely yours,

John C. Jones, Supervisor
South Carolina Manufactured Housing Board
