

Hosting an Event Questions

Can I request a speaker for my event?

Due to the overwhelming requests for representatives and event speakers, we are unable to send an NBCF representative to your event. We are very sorry that we cannot accommodate you. If you would like a speaker for your event, we encourage you to reach out in your community and find a breast cancer survivor to share their story at your event.

Can I receive a NBCF sign or banner to use at my event?

Unfortunately we do not have signs or banners available for fundraising events; however you can become an [NBCF Brand Ambassador](#) to use our logo on a banner or flyer.

Can I use NBCF's tax id number to get tax free items for my event?

Only employees of NBCF can use our tax EIN number for the purpose of purchasing tax-free items. As a third party hosting a fundraiser we can allow businesses who donate items for your event to receive substantiation for their donations. Please refer to our [Non-Cash Gift Form](#) for more information.

If I want to use the NBCF logo with my event do I have to become a Brand Ambassador too?

No. When you fill out our [Event Contract Form](#) online you automatically receive NBCF's logo package and Brand Standards Guide to use the NBCF logo in conjunction with your event.

I'm hosting a bike rally, boxing event, or extreme sports event where someone could possibly be injured or hurt. Are there any necessary waivers I must sign?

As a Catalyst for Hope hosting an event that is considered a "high-risk" event, you are responsible for your own necessary insurance and permits required by law (e.g. dirt-bike rallies, white-water rafting, etc.). It will also be necessary for you to sign an additional waiver provided by NBCF. [Contact us](#) to receive our waiver.
