Schedule:

9:00 am	girls arrive, check in
9:00 – 10:30	girls warm-up
10:30	girls diving begins
~2:00	girls diving ends
~2:00	boys warm-up (or immediately following girls finals)
~3:30	boys diving begins

Entries:

Each team is allowed 4 divers per gender; however, only the top three from each time will move on past the preliminary round. Diving entries will be submitted using a web form on edive. Please use this form only. Dives and diving sheets must be in accordance with the specifications for championship competition in the National High School Federation 2017-2018 rulebook. (see separate attachment for specifics regarding entries).

Diving sheets must be submitted to Jason Cook (JCook@deerfield.edu) by Wednesday, February 21st, by 7:00 pm. Changes can be made to divers' lists up to 30 minutes before the start of competition on February 28th, but earlier notification is strongly encouraged.

Please follow the instructions below and be careful to PROOFREAD your entries before submitting them:

- <http://www.edive.info/emailentries.aspx>
- Meet host e-mail is jcook@deerfield.edu
- Name of meet is NEPSSA D1 Diving Champs
- Name of event is Girls 1m OR Boys 1m. *It is important that you fill out two separate submissions for boys and girls. * (As many divers have gender neutral names, it is imperative that you complete separate submissions for boys and girls.)
- Make sure to add each diver as you go, by hitting "add this diver" when you are done with each athlete. Then, when you are done, please hit the blue "send my entries" button at the bottom.

Guidelines for eligibility:

- Divers must have participated, and legally completed a six dive program in at least 2 meets for their school during the season. (This is consistent with the rules for swimmers.)

- Divers are encouraged to have earned a score of at least 150 in a dual meet during the season.
- Divers should have completed each dive on his or her list in any 6 or 11-dive meet during the season.

Cuts:

There will be cuts in both the girls' and boys' competition, where necessary, to reduce the finalist pool to 16 competitors. After 5 dives, the field will be trimmed to 20, and after an additional 3 dives (after the 8th round), to 16. There will be a 10-minute warm-up after the 8th round of diving for the divers competing in finals.

Diving Order:

A random draw will determine the order of divers within each gender.

Refreshments:

Breakfast and lunch will be provided for coaches and officials.

Special note:

As in previous years, coaches must include divers in their New England swimming and diving entries that are sent to John Liller, at Worcester Academy.
