2.1 **Legal Description**

The Property is identified as Lot 1 on City of New Bedford Assessor’s Map 42 and zoned Residential C.

2.2 **Property History**

The School was operated by the City as the Thomas A. Greene Elementary School until 1992, when it was leased to People Acting in Community Endeavors, Inc. (PACE). PACE has operates a Head Start Program on the Property up to the present date and has a lease on the Property that expires on June 30, 2022.

2.3 **Property Description and Use**

The Property consists of approximately 17,310 square feet of land with a three (3)-story plus basement brick school building constructed around 1910. The zoning is Residential C. The School
is brick construction with a slate roof. The building footprint is approximately 82 ft. x 79 ft. There is a paved 8000 sq. ft. lined parking lot on site with 10 spaces.

The basement, first floor, second floor, and finished attic each have 7,542 sq. ft., for total of 30,170 sq. ft. of useable space. There is elevator access to all four levels. The heat is gas forced hot water. The Building was generally remodeled in 1991 and is in average condition. The Building is handicapped accessible.

There are no City records of oil spillage or other hazardous waste releases at the Property. Proposers are cautioned that they will accept the Property in its AS-IS condition, and agree that the City has made no representations or warranties as to the condition of the Property, including, without limitation, as to the presence of any hazardous materials or substances within the Property.

2.6 Utilities

Yard items: $6,400  
Land Value: $94,100  
Total: $1,416,300

The Property is presently leased for $50,000 per year.

2.8 Available Economic Development Incentives

The long-term lease-purchase agreement provides opportunities not otherwise available for grants and other financial incentives relating to the provision of pre-school education.

2.9 Proposal Assumptions

Any new tenant must obtain an occupancy permit from the City’s Inspectional Services Department. Any modifications to the Property will require a building permit from the Inspectional Services Department. Uses similar to present use as day care, Head Start, pre-school, etc. will also require Board of Health inspections. The Property is subject to annual fire and building inspections to ensure compliance with all applicable Fire and Building Code provisions.
2.10 **Site Investigation**

The City shall give the selected proposer the opportunity to conduct such inspections, tests, studies as it deems necessary or convenient to satisfy itself as to the condition of the Property and determine if it is suitable for the proposer’s intended use, including, without limitation, environmental assessments, all as set forth more particularly in Section 4.2 and on the terms and conditions stated in the Site Access Agreement attached hereto and incorporated herein (Attachment K).

2.11 **City of New Bedford Taxes**

While the Property is presently tax-exempt, proposers are advised to review the provisions of G.L. c. 59, §2B.

2.12 **Minimum Rent**

The City has established a **minimum annual base rent of Fifty-Seven Thousand Dollars ($57,000)** to be paid over the course of a twenty-five (25) year lease term, to be paid in advance in equal monthly installments, with rent being increased annually by at least three percent (or such higher number as the proposer may offer). At the expiration of the lease term, the successful proposer may purchase the Property for One Dollar ($1.00). The City may reject any rent proposal offering base rent in an amount less than the minimum bid specified herein. *Since the amount of the base rent paid is an important evaluation criterion, proposers are encouraged to offer more than the minimum base rent amount stated herein.*

Proposers are advised that the successful proposer, in addition to paying the City the minimum base rent for the Property, will be responsible for any and all payments related to the Property during the term of the lease, including, without limitation, utilities, taxes, insurance, and costs of maintenance, repair and/or replacement.

The City is interested in leasing the Property at the highest base rent. However, the City reserves the right to make an award to a proposal that offers other than the highest base rent. The City will consider the overall value of the offer based on the selection criteria set forth herein.

2.13 **Lease-Purchase Agreement**

The successful proposer ("Lessee") and the City shall enter into a lease-purchase agreement substantially similar to the Lease-Purchase Agreement attached hereto as Exhibit L and incorporated herein (the "Agreement") within thirty (30) days from the date of the award (the "Execution Date"). The term of the Agreement shall commence at the expiration of the Diligence Period (the "Commencement Date"), as set forth more particularly below. Lessee will pay the City annual base rent (in the minimum amount of $57,000 per year) over the term of the twenty-five (25)-year lease, to be paid in equal monthly installments in advance on or before the first day of each month, with base rent increasing every year by at least three percent (3%). At the expiration of the term of the Agreement, the City will convey the Property to Lessee upon satisfaction of all terms and conditions set forth in the Agreement.
Proposers are advised that neither the base rent payments nor any other payments made under the Agreement shall establish any equity in the Property, and Lessee shall not accrue or be entitled to any equity in the Property by virtue of payment of any sums due under the term of the Agreement, it being understood that the payments made under the Agreement during the lease term are a fee to be paid to the City for the use and/or occupancy of the Property. In the event that the Agreement is terminated for any reason other than the City’s default, the City shall have no obligation whatsoever to make any payments or refund any payments to Lessee.

The Agreement will be a triple-net lease, and Lessee shall be solely responsible for the repair and maintenance of the Property, including the improvements thereon, and payment of insurance and taxes.

While the City believes that the information provided in this RFP, including all exhibits and addendums, if any, is accurate, the City makes no representation or warranty, express or implied, as to the accuracy and/or completeness of the information in this RFP. The proposer assumes all risk in connection with the use of the information, and releases the City from any liability in connection with the use of the information provided by the City. Further, the City makes no representation or warranty with respect to the Property, including without limitation, the value, quality or character of the Property or its fitness or suitability for any particular use and/or the physical and environmental condition of the Property. The Property will be sold in its “AS-IS” condition.

Each proposer shall undertake its own review and analysis (due diligence) concerning the physical and environmental condition of the Property, applicable zoning and other land use laws, required permits and approvals, and other development, ownership, and legal considerations pertaining to the Property, and the use of the Property, and shall be responsible for applying for and obtaining any and all permits and approvals necessary or convenient for the proposer’s use of the Property. All costs and expenses of using the Property, including without limitation, all costs of permitting and improvements, shall be the sole responsibility of the successful proposer.
3.1 Evaluation of Proposals

All Proposal Packages submitted in response to this Request for Proposals will be opened in public at the deadline for the submission of proposals and thereafter reviewed by an Evaluation Committee. The Evaluation Committee will screen each Proposal Package to ensure that all submittals required by the Request for Proposals are included and that the proposal meets the Minimum Evaluation Criteria set forth below. The Evaluation Committee then will review each proposal that it considers complete and to have met the Minimum Evaluation Criteria against the Comparative Evaluation Criteria set forth below and assess which proposals are highly advantageous, advantageous, not advantageous or unacceptable.

The Evaluation Committee shall make its recommendation to the City Council Property Committee after all qualified proposals have been evaluated. The City will choose the proposal that it deems to be in the best interests of the City, taking into consideration the rent and the other evaluation criteria set forth in the Request for Proposals. The Committee and/or other City officials may interview and/or meet with some or all of the proposers and ask questions regarding their respective proposals, in its sole discretion. The City reserves the right, in its sole discretion, to reject at any time any or all proposals, to withdraw the RFP, to select finalists to submit and negotiate a more fully-developed response, to negotiate with one or more proposers, and/or negotiate and lease the Property on terms that are not materially different from those set forth herein. The City also reserves the right, at any time and to waive strict compliance with terms and conditions of this RFP or to entertain reasonable modifications or additions to selected proposals provided the same are not materially different from the terms set forth herein. Further, the City may cancel this Request for Proposals, reject in whole or in part any and all proposals, or refuse to enter into a lease for the Property, if the City determines that such cancellation, rejection or refusal serves the best interests of the City.

Proposer agrees that by submission of its proposal that it will not withdraw or modify its original price proposal if the City and Proposer do not agree as a result of negotiations to modify the original price offered by Proposer.

4.1 **Proposed Lease-Purchase and Sale Terms**

The lease-purchase of the Property shall be awarded to the proposer selected in accordance with Section 3 above. The City shall send a letter to the successful proposer, informing the proposer of such award.

The City and the selected proposer (referred to as the “lessee”) shall, within thirty (30) days of date of the award, enter into a lease purchase agreement **materially on the same terms as those set forth in** the Lease-Purchase Agreement attached hereto as Attachment L and incorporated herein (the “Agreement”). In the event the successful proposer fails to enter into the Agreement with the City within said thirty (30)-day period, or such later time as the City may agree to, in its sole discretion, the City may rescind the award and retain any proposal security as liquidated damages.

Unless the prospective lessee and the City otherwise agree, it is anticipated that the Lease-Purchase Agreement for the Property will include, without limitation, the following terms:

- The term of the Agreement shall commence at the expiration of the Diligence Period (defined below) and terminate twenty-five (25) years therefrom as set forth above.

- A security deposit in the amount of two (2) months of base rent shall be made upon execution of the Agreement. Base rent will be paid to the City during the 25-year course of the lease in equal monthly installments. The closing date and time may be extended by mutual agreement of the parties.

- **All rent payments made by lessee under the Agreement are non-refundable.** In the event that the Agreement is terminated for any reason other than a default by the City, the lessee’s option to purchase the Property shall also terminate, without recourse, and without any payment being made by the City, it being expressly understood that any payments made by the lessee under the Agreement shall constitute a charge for the lessee’s use and occupancy of the Property, and not constitute a partial payment of the purchase price or grant any equity in the Property to the lessee.

- The Property will be delivered “AS-IS, WHERE-IS” with no warranties or representations of any kind.

- The City shall deliver a good and sufficient quitclaim deed of the Property running to the lessee, which deed will convey good and clear record and marketable title to the Property, subject to encumbrances on record as of the execution of the Agreement and such other encumbrances as are granted with the consent of the lessee, and also to utility easements.

- The sale of the Property shall be subject to City Council approval which shall have been obtained prior to execution of the Lease-Purchase Agreement.
• The lessee is granted the opportunity to conduct such inspections of the Property as it deems necessary or appropriate to satisfy itself of the condition of the Property, as set forth more particularly in Section 4.2 below. If the lessee does not terminate the Agreement prior to the expiration of the Diligence Period, the lessee shall be deemed to have conducted to its satisfaction a complete and thorough inspection, analysis and evaluation of the Property, including but not limited to environmental issues, and satisfied itself with the results of such inspections. The lessee will accept the Property at the closing in an "AS IS" condition and with "ALL FAULTS" without any warranty or representation by the City whatsoever relating to the Property, and the lessee shall be deemed to have acknowledged and confirmed that lessee has not relied on any representation or inducement which was or may have been made or implied by City or any other party acting on behalf of City with respect to the Property or any circumstances or conditions affecting the Property. The lessee further agrees that, to the extent that the City provided the lessee with any information from any inspection, engineering or environmental reports or copies of any documents relating to the Property, the City made no representations or warranties with respect to the accuracy or completeness of same or otherwise concerning the contents of such reports or documents relating to the Property.

• If the lessee does not terminate the Agreement prior to the expiration of the Diligence Period, the lessee, for itself and its successors and assigns, shall release the City and its officers, agents and employees, successors and assigns from any and all claims, demands, obligations, costs, loss or damage, causes of action, legal or administrative proceedings, liabilities, penalties, fines, liens, judgments, or expenses whatsoever (including, without limitation, attorneys' fees and costs), whether direct or indirect, known or unknown, foreseen or unforeseen, arising out of or in any way connected with the condition of the Property, including without limitation, the environmental and sub-surface condition of the Property. The lessee agrees that it shall not commence, aid or support in any way, seek contribution from and/or prosecute against the City, its officers, directors, agents and employees and its and their respective successors and assigns, any action or other proceeding based upon any claims covered in this section, and shall defend and indemnify the City from any and all claims related to the environmental condition of the Property. The lessee, on behalf of itself, its members and their respective successors and assigns, expressly waives any rights or benefits available to it with respect to the above release under any provision of applicable law which provides that a general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time the release is agreed to, which, if known to such creditor, would materially affect a settlement. Lessee acknowledges that it fully understands the foregoing release, and with this understanding, nonetheless elects to and does assume all risk for claims known or unknown described herein. The provisions of the foregoing release sections shall survive the closing (and be included in the deed to the Property) or the termination of the Agreement.

• The recitation of the foregoing proposed terms does not constitute an offer to lease or sell nor does it constitute a lease or purchase and sale agreement.

• Notwithstanding anything herein to the contrary, the City reserves the right, in its sole discretion, to select finalists to submit and negotiate a more fully-developed response, to negotiate with one or more proposers, and/or negotiate and lease the Property on terms that are not materially different from those set forth herein. The City also reserves the right, at any time and to waive strict compliance with terms and conditions of this RFP or to entertain reasonable modifications
or additions to selected proposals provided the same are not materially different from the terms set forth herein.

4.2 Site Inspections

The lessee shall have the right to conduct or cause to be conducted such surveys, investigations, inspections and studies of the Property as the lessee deems necessary or desirable (the "Investigations"), commencing on the date of that the Agreement is fully executed (the "Execution Date") and ending at 5:00 p.m. thirty (30) days therefrom (the "Diligence Period"), at the lessee’s sole cost and expense, provided that lessee and with at least with prior advance written notice to the City. The lessee shall furnish the City with any and all information resulting from environmental testing or investigation, including draft reports prepared by consultants and laboratory data of samples.

The lessee shall assume all risks associated with the conduct of the Investigations and shall protect, defend, indemnify and hold harmless the City and its agents of, from and against any and all costs, losses, claims, demands, damages, liabilities, expenses and other obligations (including, without limitation, attorneys' fees and court costs) arising from, out of or in connection with or otherwise relating to, the entry by and the activities, studies and tests performed by the proposer or anyone or more of its employees, agents, contractors, subcontractors, consultants or other representatives in or upon the Property except as may be caused by the gross negligence of the City. The lessee shall provide to the City, and to cause each of its agents, contractors, subcontractors, consultants and other representatives who enter upon the Property to provide to City, prior to any such entry, evidence of insurance in the amounts of 1 Million/2 Million combined limits general liability and with companies reasonably acceptable to City and naming City as an additional insured, covering the activities to be conducted by the lessee and/or its employees, agents, contractors, subcontractors, consultants and other representatives.

All payments of Rent shall be absolutely net to the City, so that this Lease shall yield to the City the Base Rent herein specified each year during the Term of this Agreement free of any taxes, assessments, charges, impositions or deductions of any kind charged, assessed or imposed on or against the Premises. The City shall not be expected or required to pay any such charge, assessment or imposition, or furnish any services to the Premises or be under any obligation or liability hereunder.

3.6 RENT AS OCCUPANCY CHARGES

Lessee expressly acknowledges and agrees that the Base Rent to be paid under this Lease constitutes compensation owed to the City for the use and/or occupancy of the Premises under this Lease, and does not constitute a down-payment or a partial payment for the purchase of the Premises. Further, any other sums due to be paid by Lessee under this Lease are charges related to Lessee’s use of the Premises. Neither the Base Rent payments nor any other payments made under this Lease shall establish any equity in the Premises, and Lessee shall not accrue or be entitled to any equity in the Premises by virtue of any payments due and/or made under this Lease. All Rent payments under this Lease are non-refundable. In the event that this Lease is terminated for any reason other than a default by the City, including, without limitation, under Articles XI and/or XII of this Lease, the Lessee’s Option to purchase the Premises shall also terminate, without recourse and without any sums being owed by the City to Lessee.

Lessee shall be responsible for providing and paying for any additional utilities and/or equipment as Lessee may need for its use of the Premises, and installing, maintaining, repairing, and/or replacing the same. Before Lessee installs any additional utilities and/or makes any capital or structural changes to the Premises to accommodate any utilities, Lessee shall obtain the prior written consent of the City and shall install the same in conformity with plans and specifications provided by Lessee and approved by the City, said consent not to be unreasonably withheld, and all costs incurred in connection therewith, including installation, maintenance and repairs of the same, shall be Lessee’s sole obligation.

Lessee shall pay or shall cause to be paid, as Additional Rent, directly to the utility provider, all charges, fees and other payments to be made, however called, for any and all utility services furnished to or used at the Premises, including, without limitation, water, sewer, electricity, gas, heat, steam, air conditioning, ventilating, lighting systems, telephone, internet and other utilities and/or services ("Utility Charges").

4.4 SECURITY DEPOSIT

Lessee has deposited with the City the sum of $______ as security for any failure by Lessee to comply with the terms of this Lease, including, without limitation, for any damage caused to the Premises and/or Lessee’s failure to restore the Premises. In accordance with G.L. c. 186, § 15B, such deposit received by the City shall be held in a separate, interest-bearing account in a bank, located within the Commonwealth under such terms as will place such deposit beyond the claim of creditors of the City. Such deposit shall be returned to Lessee, with such amount of interest as has been received from the bank where the deposit has been held, if any, and less any set off for damages to the Premises upon the termination of this Lease.

ARTICLE V - INSTALLATIONS, ALTERATIONS AND ADDITIONS

Lessee shall not make any alterations, improvements, additions, replacements, relocations or other material changes to the Premises and/or the improvements thereon (the “Alterations”) without the City’s prior written consent, which shall not be unreasonably withheld.

5.2 APPROVED PLANS AND SPECIFICATIONS

Prior to undertaking any Alterations, Lessee shall, at its cost, prepare and deliver to the City complete working drawings, plans and specifications detailing the location, size and specifications of the Alterations and such other items as the City may reasonably request, and specifically describe all
proposed Alterations and include a construction schedule, and obtain the City’s approval of Lessee’s plans for such Alterations at least forty-five (45) days to undertaking the same. Lessee agrees to address reasonable safety and aesthetics issues raised by the City. If the City fails to disapprove the plans within said forty-five (45) day period, said plans for the Alterations shall be deemed to be approved, provided that the deemed-approved provision is expressly set forth in the notice to the City. The plans and specifications, as approved by the City and or deemed approved, are referred to as the “Approved Plans”. The review and approval by the City under this Lease shall be in addition to any other approvals required under all applicable federal, states and local laws, rules and regulations. Lessee agrees to reimburse the City for reasonable fees and costs incurred by the City in reviewing such Approved Plans and ensuring that all Alterations are made in material compliance with the Approved Plans, provided that the City submits to Lessee invoices showing such costs.

5.3 CONSTRUCTION COSTS

Except as provided otherwise, Lessee will pay all costs and expenses incurred in connection with the construction, maintenance and operation of the improvements or any other Alterations made or done to or at the Premises. Lessee shall repair, at its sole cost and expense, any damage caused to the Premises as a result of any act or omission of Lessee or its employees, agents, contractors, or invitees.

Lessee shall have and maintain in force public liability and property insurance, builder’s risk insurance covering the City and workmen’s compensation insurance affording applicable statutory coverage and containing statutory limits. All such policies shall comply with the provisions of Articles IX and X hereof.

5.5 COMPLIANCE WITH LAWS

Lessee shall procure all necessary permits before undertaking any Alterations on the Premises and shall cause all such work to be performed in a good and first-class workmanlike manner and in accordance with the requirements of insurers, employing new materials of good quality and shall defend, hold harmless, exonerate and indemnify the City from all injury, loss or damage to any person or property occasioned by such work. Lessee shall at all times comply with Massachusetts public bidding laws, if applicable, and all other laws, rules, orders and regulations of governmental authorities having jurisdiction thereof, in effect at the time of application for permits for such work, and orders, rules and regulations of any Board of Fire Underwriters, or any other body hereafter constituted exercising similar functions, and governing insurance rating bureaus. Lessee agrees to employ responsible contractors for such Alterations and shall cause such contractors to carry the insurance required under Article X and agrees to submit certificates evidencing such coverage to the City prior to the commencement of and during the continuance of any such work.

Prior to the commencement of any Alterations, Lessee shall, at the City’s request, provide the City with copies of a performance and a labor and materials payment bond provided by Lessee’s contractor, in the amount of 100% of the value of the contract, ensuring the completion of the work
and payment for labor and materials, which bonds shall name Lessee and the City as co-obligees under said bond.

5.6 LIENS AND ENCUMBRANCES

Lessee shall not permit any mechanic’s liens, or similar liens to remain upon the Premises for labor and material furnished to Lessee or claimed to have been furnished to Lessee in connection with work of any character performed or claimed to have been performed at the direction of Lessee, and shall cause any such lien to be released of record without cost to the City within thirty (30) days after Lessee receives notice of filing of same. All materialmen, contractors, artisans, mechanics, laborers and any other persons now or hereafter who contract with Lessee for the furnishing of any labor, services, materials, supplies or equipment with respect to any portion of the Premises are hereby charged with notice that they must look exclusively to Lessee to obtain payment for same. Lessee agrees that it will, on request from the City, comply with any and all reasonable requirements of the City with respect to the work performed or materials furnished by Lessee or its agents, contractors, and sub-contractors in the Premises.

5.7 OWNERSHIP OF IMPROVEMENTS

The City shall retain ownership of the Building and any and all fixtures, machinery, equipment, personal property and/or other improvements on the Premises as of the Commencement Date. All Alterations and/or additions made by Lessee and fixtures installed by Lessee shall be owned by Lessee during the Term of this Lease, but will become the exclusive property of the City upon any earlier termination of this Lease, without any payment by the City therefor, except that, upon such termination, Lessee may remove from the Premises any other improvements made by Lessee that can be removed from the Premises without harm to the Premises and also any personal property of Lessee within the Premises. Lessee shall repair any damage caused by Lessee’s removal and restore the Premises to the condition they are required to be maintained in hereunder, reasonable wear and tear excepted. At the expiration of the Lease, and the conveyance of the Premises by the City to Lessee, the City will also convey to Lessee, without any additional consideration, any and all fixtures and other improvements that were on the Premises as of the Commencement Date.

5.8 INSPECTION OF IMPROVEMENTS

The City’s representatives may enter upon the Premises from time to time on reasonable notice to Lessee for the purpose of inspecting any repairs, Alterations or other work being done on or to the Premises, and such entry shall not be construed to be a violation of Lessee’s right to possession of the Premises. At final completion of any Alterations, the City shall have the right to inspect the work to determine material conformity with the Approved Plans and may direct Lessee to perform such additional work as may be necessary to materially conform to the same. Further, within sixty (60) days after final completion of the Alterations or the completion of other major improvements on or to the Premises, Lessee shall prepare at its expense and deliver to the City one complete, legible and reproducible full-sized set of as-built plans or their equivalent showing the Alterations and/or other improvements, as the case may be, and, if reasonably requested by the City, a certified survey plan.

The City shall have no responsibility to Lessee or any of the other Lessee Parties for the presence of Hazardous Substances on the Premises or be required to abate or remediate the same; if Hazardous Substances are present on the Premises and materially interfere with Lessee’s use of the Premises for the Permitted Uses, Lessee may terminate this Lease without recourse. The provisions of this Section shall survive the expiration or earlier termination of the Lease.

6.5 ABANDONMENT OF USE.

(b) If all or a material part of the Premises shall be destroyed or damaged by fire or other casualty, or if all or a material part of the Premises shall be taken by any public or quasi-public agency or authority other than the City for any public or quasi-public use under governmental law or by right of eminent domain, and the taking would materially interfere with the use of the Premises for the Permitted Uses, then this Lease shall terminate at the election of either the City or Lessee. Any such termination shall be effective thirty (30) days after the date of notice thereof.

(c) If any part of the Premises is damaged by fire or other casualty or is taken by a public authority and this Lease is not terminated by the City or Lessee as provided above, the City may, at its sole discretion, repair and restore the Premises, or what remains thereof in the case of a partial taking, to their condition prior to such damage, destruction, or taking, subject to appropriation of funds and compliance with applicable procurement and bidding laws. If the City elects to make any repairs, the City shall use good faith efforts to repair the Premises within a reasonable time, subject to the City’s budgetary, appropriation and borrowing requirements and its obligation to comply with legal requirements relating to public building projects and public procurement.

(d) In the event of a taking by eminent domain, the City shall have, and hereby reserves and excepts, and Lessee hereby grants and assigns to the City, all rights to recover for damages to the Premises and the leasehold interest hereby created, and to compensation accrued or hereafter to accrue by reason of such taking or damage. Lessee covenants to deliver such further assignments and assurances thereof as the City may from time to time request, hereby irrevocably designating and appointing the City as its attorney-in-fact to execute and deliver in Lessee's name and behalf all such further assignments thereof. Nothing contained herein shall be construed to prevent Lessee from prosecuting in any condemnation proceedings a claim for the value of any of Lessee’s usual trade fixtures installed in the Premises by Lessee at Lessee's expense and for relocation expenses, provided that such action shall not affect the amount of compensation otherwise recoverable hereunder by the City from the taking authority.

(e) If during the Lease term the Premises shall be damaged by fire or casualty, and if such damage shall materially interfere with Lessee’s use of the Premises as contemplated by this Lease but this Lease is not terminated by the Parties, a just portion of the Base Rent payable by Lessee hereunder may be abated or reduced, but such abatement or reduction shall end when the
City shall have substantially restored the Premises or so much thereof as shall have been originally constructed by the City (exclusive of any of Lessee’s Alterations, fixtures, furnishings, equipment and the like or work performed therein by Lessee) to substantially the condition in which the Premises were prior to such damage.

(a) If Lessee shall fail to pay, as and when due, any payment of Rent or other sums payable under this Lease, and such failure shall continue for a period of thirty (30) days after written notice from the City to Lessee;

(b) If Lessee shall fail to maintain any insurance required to be maintained by the City hereunder, and such failure shall continue for a period of ten (10) days after written notice from the City to Lessee;

(c) If Lessee shall fail to perform or comply with any of the other terms, covenants or conditions in this Lease, and such failure shall continue for a period of thirty (30) days after written notice from the City to Lessee specifying the items in default, or in the case of a default or a contingency which cannot with due diligence be cured within such thirty (30) day period, within such additional time reasonably necessary provided Lessee commences to cure the same within such thirty (30) day period and thereafter prosecutes the curing of such default with diligence (but in no event shall such additional period exceed sixty (60) days);

(d) If Lessee shall initiate the appointment of a receiver to take possession of all or any portion of the Premises or Lessee’s leasehold estate for whatever reason, or Lessee shall make an assignment for the benefit of creditors, or Lessee shall initiate voluntary proceedings under any bankruptcy or insolvency law or law for the relief of debtors; or if there shall be initiated against Lessee any such proceedings which are not dismissed or stayed on appeal or otherwise within ninety (90) days, or if, within ninety (90) days after the expiration of any such stay, such appointment shall not be vacated or stayed on appeal.

12.2 REMEDIES

If an Event of Default occurs, the City shall have the right at any time thereafter, while such default continues, to re-enter and take complete possession of the Premises, to declare the Term of this Lease ended, and remove Lessee’s effects, without prejudice to any other right and/or remedy which may be available to the City, including, without limitation, injunctive relief. To the extent permitted by law, Lessee shall indemnify the City against all payments which the City may incur by reason of such termination during the residue of the Term. If Lessee shall default after reasonable notice thereof in the observance or performance of any conditions or covenants on Lessee’s part to be performed or observed by virtue of any of the provisions of any article of this Lease, the City, without being under any obligation to do so and without thereby waiving such default, may remedy such default for the account and at the expense of Lessee. If the City makes any expenditures or incurs any obligations for the payment of money in connection with Lessee’s default, including but
not limited to, reasonable attorneys’ fees in instituting, prosecuting or defending any action or proceeding, such sums paid or obligations incurred shall be paid to the City by Lessee as Additional Rent. Without limiting any of the City’s rights and remedies hereunder, and in addition to all other amounts Lessee is otherwise obligated to pay, it is expressly agreed that the City shall be entitled to recover from Lessee all costs and expenses, including reasonable attorneys’ fees, incurred by the City in enforcing this Lease from and after Lessee’s default.

12.3 THE CITY’S RIGHT TO PERFORM LESSEE’S COVENANTS

Upon an Event of Default, the City may, but shall be under no obligation to, take any and all actions to cure such default. Without limiting the foregoing, the City may enter upon the Premises (after ten (10) days’ written notice to Lessee except in the event of emergency) for any such purpose, and may take any and all action as may be necessary or convenient to cure the same, including, without limitation, making any payments required to cure any Events of Default. Notwithstanding the foregoing, the parties hereby agree that the City shall have the right to pay any premiums for insurance required to be maintained by Lessee hereunder, without being required to wait for a cure to be effectuated by Lessee, and the amount paid by the City shall be repaid by Lessee, upon demand.

12.4 SURRENDER UPON TERMINATION

Lessee shall, within thirty (30) days from the termination of this Lease, remove Lessee’s personal property from the Premises and any improvements made by Lessee that can be removed without damage to the Premises. Lessee shall quit and peacefully surrender and deliver the Premises to the possession and use of the City without delay and in good order, condition and repair and otherwise in the condition in which Lessee is required to maintain the Premises during the Term hereof (excepting only reasonable wear and tear and damage from a Taking or from a fire or other casualty). The Premises shall be surrendered free and clear of all liens and encumbrances other than those existing the day before the Commencement Date or created or suffered by the City, and shall be surrendered without any payment by the City on account of any Lessee Alterations and/or improvements. Lessee shall repair at Lessee’s sole cost any damage to the Premises resulting from or caused by such removal.

12.5 CLOSING FEE

The parties agree that, should Lessee exercise its option to purchase the Premises in accordance with the provisions of Article 13 hereof at any time prior to the expiration of the Term, which option may not be exercised sooner than ten (10) years from the Commencement Date, this Lease shall terminate on that date on which the City delivers a deed to the Premises to Lessee in accordance with the provisions of Article 13, provided, however, that Lessee shall grant the City the full benefit of this Lease and pay the City at closing the full amount of the Base Rent that Lessee would have paid hereunder for the balance of the remaining Term (and not the net present value of said Base Rent, the “Closing Fee”). Nothing herein shall relieve Lessee from paying the City all sums owed to the City hereunder until the deed is on record. In the event that Lessee fails to pay the Closing Fee to the City, this Lease and Lessee’s Option to purchase the Premises shall terminate and the City shall have no obligation to convey the Premises to Lessee.

12.6 NO WAIVER
No failure by either the City or Lessee to insist upon the strict performance of any agreement, term, covenant or condition hereof or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial Rent during the continuance of any such breach, shall constitute a waiver of any such breach or of such agreement, term, covenant or condition. No agreement, term, covenant or condition hereof to be performed or complied with by either the City or Lessee, and no breach thereof, shall be waived, altered or modified except by a written instrument executed by the other party. No waiver by the City or Lessee of any breach shall affect or alter this Lease, but each and every agreement, term, covenant and condition hereof shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

12.7 REMEDIES CUMULATIVE

Each right and remedy provided for in this Lease shall be cumulative and shall be in addition to every other right or remedy provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise, and the exercise by the City or Lessee of any one or more of the rights or remedies provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by the party in question of any or all other rights or remedies provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise.

ARTICLE XIII - PURCHASE OPTION

13.1 OPTION TO PURCHASE.

The Parties agree that Lessee shall have an option to purchase the Premises (the “Option”) at the expiration of this Lease on __________, 2047 (the “Expiration Date”) for consideration of One Dollar ($1.00), provided that (a) Lessee is not then in default under this Lease, and (b) Lessee delivers written notice of its intent to exercise said Option (“Notice of Exercise”) at least sixty (60) days prior to the Expiration Date, with the closing to occur on the Expiration Date in compliance with the terms hereof. In the event that Lessee wants to exercise the Option and close prior to the Lease Expiration Date, Lessee shall deliver the Notice of Exercise to the City at least sixty (60) days prior to the closing date, and, provided the Lessee does not exercise the Option any sooner than ten (10) years from the Commencement Date, the City will convey the Premises to Lessee for consideration of One Dollar, the payment of the Closing Fee and any other sums owed to the City hereunder, with all such sums to be paid at closing. Lessee’s failure to pay such consideration shall result in the termination of the Option.

13.2 EXERCISE OF OPTION

The Notice of Exercise shall be delivered to the City within the time period set forth above by certified mail, return receipt requested, with the closing to occur sixty (60) days from the date of mailing of the Notice of Exercise. If said sixty (60)-day closing period expires on a legal holiday, Saturday or Sunday, then the closing shall occur on the next day that the Registry of Deeds is open to the public. When the Notice to Exercise is mailed as provided herein, this Option shall be deemed exercised and this Option shall become a contract for the sale of the Premises at the price and upon the terms and conditions set forth herein, including the payment of the Closing Fee, if any.
13.3 TITLE DEED UNDER OPTION

If this Option is exercised by Lessee, the City shall execute a quitclaim deed sufficient to transfer good and clear record and marketable title in the Premises to Lessee, free of all liens but subject to any and all encumbrances affecting the Premises as of the Commencement Date.

Any matter or practice arising under or relating to this Agreement which is the subject of a title standard or a practice standard of the Real Estate Bar Association shall be covered by said title standard or practice standard to the extent applicable.

13.4 EXTENSION OF TIME FOR CLOSING UNDER OPTION

If the City shall be unable to give title to, or to make conveyance of, or to deliver possession of the Premises, all as herein stipulated, the City shall use good faith efforts to remove any defects in title or to deliver possession as provided herein, as the case may be, in which event the City’s time for performance hereunder shall be automatically extended for a period of up to sixty (60) days but the purchase price shall remain unchanged, but in no event shall good faith efforts require the City to expend more than $2,500, inclusive of attorneys’ fees. If at the expiration of the extended time the City is unable to convey good marketable fee simple title or deliver possession, Lessee may terminate this Lease, including the Option, whereupon all obligations of the parties hereto shall cease and this Lease shall terminate without recourse to the parties hereto, subject to Lessee’s right to make an election pursuant to Section 13.5.

13.5 ELECTION TO ACCEPT TITLE UNDER OPTION

Lessee shall have the election, at either the original or any extended time for performance, to accept the Premises and such title to the Premises as the City can deliver in its then condition and to pay therefore the purchase price without deduction, in which case the City shall convey such title.

13.6 INSPECTION OF PREMISES

(a) Investigations. Lessee hereby acknowledges that it was given the opportunity, prior to the Commencement Date, to conduct such surveys, investigations, inspections and studies of the Premises and such other due diligence activities that it deemed necessary or desirable, that it has conducted to its satisfaction a complete and thorough inspection, analysis and evaluation of the Premises, including but not limited to environmental issues, and agrees that it has satisfied itself with the results of such inspections. Lessee will accept the Premises at the closing in an "AS IS" condition and with "ALL FAULTS" without any warranty or representation by the City whatsoever relating to the Premises, and Lessee shall be deemed to have acknowledged and confirmed that Lessee has not relied on any representation or inducement which was or may have been made or implied by City or any other party acting on behalf of City with respect to the Premises or any circumstances or conditions affecting the Premises. Lessee further agrees that, to the extent that the City provided Lessee with any information from any inspection, engineering or environmental reports or copies of any documents relating to the Premises, the City made no representations or warranties with respect to the accuracy or completeness of same or otherwise concerning the contents of such reports or documents relating to the Premises.
(b) **Release.** Lessee, for itself and its successors and assigns, hereby forever releases the City and its officers, agents and employees, successors and assigns from any and all claims, demands, obligations, costs, loss or damage, causes of action, legal or administrative proceedings, liabilities, penalties, fines, liens, judgments, or expenses whatsoever (including, without limitation, attorneys' fees and costs), whether direct or indirect, known or unknown, foreseen or unforeseen, arising out of or in any way connected with the condition of the Premises, including without limitation, the environmental and sub-surface condition of the Premises. Lessee agrees that it shall not commence, aid or support in any way, seek contribution from and/or prosecute against the City, its officers, directors, agents and employees and its and their respective successors and assigns, any action or other proceeding based upon any Claims covered in this section, and shall defend and indemnify the City from any and all Claims related to the environmental condition of the Premises. Lessee, on behalf of itself, its members and their respective successors and assigns, expressly waives any rights or benefits available to it with respect to the above release under any provision of applicable law which provides that a general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time the release is agreed to, which, if known to such creditor, would materially affect a settlement. Lessee, by the execution of this Lease, acknowledges that it fully understands the foregoing release, and with this understanding, nonetheless elects to and does assume all risk for claims known or unknown, described in this Article.

(c) **Survival.** The provisions of this Section shall survive the closing (and shall be incorporated into the deed from the City to Lessee) or the termination of this Lease.

13.7 **POSSSESSION AND CONDITION OF PROPERTY UNDER OPTION**

The City shall deliver the Premises at the time of delivery of the deed in their AS-IS condition, it being agreed that Lessee will have had exclusive use and possession of the Premises during the Term of the Lease, and the City makes no representation or warranty as to the condition of the Premises or their suitability for any use.

13.8 **ADJUSTMENTS UNDER OPTION**

At closing, Lessee shall pay the City: (a) the purchase price for the Premises and (b) any and all other sums owed by Lessee to the City under the terms of this Lease, including, without limitation, the Closing Fee, if applicable. Lessee's failure to make such payments to City at closing shall constitute a material default hereunder, and the City shall be entitled to terminate this Lease (if it has not already expired) and/or to terminate Lessee's Option rights under this Lease without recourse. Any Additional Rent or other sums owed by Lessee under this Lease as of the date of the closing shall be paid in full by Lessee.

**ARTICLE XIV - MISCELLANEOUS PROVISIONS**

14.1 **CHANGES IN LEASE**

None of the covenants, agreements, provisions, terms and conditions of this Lease shall in any manner be changed, altered, waived or abandoned except by a written instrument signed, sealed and mutually agreed upon by all the parties hereto, and approved as required by law. Such instrument shall not be void for want of consideration.
14.2 QUIET ENJOYMENT

The City hereby warrants and covenants that, so long as Lessee is in compliance with the terms of this Lease, Lessee shall have peaceful and quiet use and possession of the Premises without hindrance or interruption on the part of the City, or by any other person(s) for whose actions the City is legally responsible, or by any person claiming by, through or under the City, subject to the City's reserved rights.

14.3 YIELD UP AT TERMINATION OF LEASE

Lessee shall at the termination of this Lease remove all Lessee's effects from the Premises. Lessee shall deliver the Premises to the City in the condition in which Lessee is required to maintain the same as set forth in this Lease, reasonable wear and tear excepted and fire and other casualty excepted.

14.4 HOLDING OVER

If Lessee or anyone claiming under Lessee shall remain in possession of the Premises or any part thereof after the termination thereof, without any agreement in writing between the City and Lessee with respect thereto, the person remaining in possession shall be deemed a tenant at sufferance. After acceptance by the City of any payments made for such occupancy, the person remaining in possession shall be deemed a tenant from month-to-month, subject to the provisions of this Lease insofar as the same may be made applicable to the occupant from month-to-month, which occupancy or use may at any time be terminated by either party by thirty (30) days' prior written notice to the other party.

14.5 SEVERABILITY

If any provision of this Lease is declared to be illegal, unenforceable, or void, then both parties shall be relieved of all obligations under that provision provided, however, that the remainder of the Lease shall be enforced to the fullest extent permitted by law.

14.6 NO PERSONAL LIABILITY

No official, employee or consultant of the City of New Bedford shall be personally liable to Lessee or any partner thereof, or any successor in interest or person claiming through or under Lessee or any such partner, in the event of any default or breach, or for or on account of any amount which may be or become due, or on any claim, cause or obligation whatsoever under the terms of this Lease or any amendment or extension entered into pursuant hereto.

14.8 ENFORCEMENT OF THE CITY’S LIABILITY

Notwithstanding anything contained in this Lease to the contrary and notwithstanding any
equitable rights and remedies available to Lessee, the City’s liability under this Lease shall be
enforceable only out of the City’s interest in the Premises; and there shall be no other recourse
against, or right to seek a deficiency judgment against the City, nor shall there be any personal
liability with respect to any obligations to be performed hereunder. In no event shall the City or
Lessee be liable to the other for any indirect, special or consequential or punitive damages or loss of
profits or business income arising out of or in connection with this Lease.

14.9 CAPTIONS

representatives, successors and assigns. All covenants, agreements, terms and conditions of this Lease
shall be construed as covenants running with the land. This Lease contains the entire agreement of the

provisions herein. This Lease shall be governed by the laws of the Commonwealth of Massachusetts
and any disputes regarding this Lease shall be brought in the courts of the Commonwealth of

Lease.

14.11 COUNTERPARTS
This Lease may be executed in any number of counterparts, each copy of which shall be identical, and any one of which shall be deemed to be complete in itself and may be introduced in evidence or used for any purpose without the production of the other copies.
