INVITATION FOR BID #19450109
Log and Purchase Standing Timber

I. General Information and Bid Submission Requirements
The City of New Bedford, through the City of New Bedford Department of Public Infrastructure is soliciting bids for the Logging and Purchase of Standing Timber located within the City’s Watershed forest.

SPECIFICATIONS: ATTACHMENT A

Sealed bids will be received by the Purchasing Department, Room 208, City Hall, 133 William Street, New Bedford, Massachusetts, 02740, during business hours, until the date and time of the bid opening.

BID OPENING

BIDS will be opened:
Friday, December 14, 2018
11:00 A.M. Prevailing Time

• TIME FOR BID ACCEPTANCE
The contract will be awarded within thirty (30) days after the bid opening. The time for award may be extended by mutual agreement between the City and the awarded vendor.

• ADDENDA
If any changes are made to this IFB, an addendum will be issued. Addenda will be emailed to all bidders on record as having picked up the IFB.

• QUESTIONS
Questions concerning this Invitation for Bid must be submitted via email to: Susan Bruce, Director of Purchasing, at susan.brucenewbedford-ma.gov before 4:00 p.m. on Friday, December 7, 2018. Written responses will be emailed to all bidders on record as having picked up the IFB.

• CORRECTIONS, MODIFICATIONS
A bidder may correct, modify, or withdraw a bid by written notice received by the City, prior to the time and date set for the bid opening. Bid modifications must be submitted in a sealed envelope, clearly labeled “Modification No. ____.” Each modification must be numbered in sequence, and must reference the original IFB. After the bid opening, a bidder may not change any provision of the bid in a manner prejudicial to the interests of the City or fair competition. Minor informalities will be waived or the bidder will be allowed to correct them. If a mistake and the intended bid are clearly evident on the face of the bid document, the mistake will be corrected to reflect the intended correct bid, and the bidder will be notified in writing; the bidder may not withdraw the bid. A bidder may withdraw a bid if a mistake is clearly evident on the face of the bid document, but the intended correct bid is not similarly evident.

• RIGHT TO CANCEL OR REJECT
The City may cancel this IFB, or reject in whole or in part any and all bids, if the City determines that cancellation or rejection serves the best interests of the City.

• BID PRICES
All bid prices submitted in response to this IFB must remain firm for thirty (30) days following the bid opening.

Bidders are advised to include in their Bid any and all costs associated with the delivery of all products under this Contract. The City will not pay any additional fees under the Contract unless it has previously agreed to pay such additional fees in writing.
The City will not compensate Bidder for any costs under any Contract awarded by this IFB that are not specifically identified in the Bidder’s Response or Bid and accepted by the City as part of the Contract.

- **UNEXPECTED CLOSURE**
  If, at the time of the scheduled bid opening, City Hall is closed due to uncontrolled events such as fire, snow, ice, wind, or building evacuation, the bid opening will be postponed until 3:00pm on the next normal business day. Bids will be accepted until that date and time.

- **NUMBER OF COPIES**
  Each bidder should submit one (1) original bid document.

- **ENVELOPE MARKING**
  The bid envelope should be marked as follows: **Bid #19450109 Log and Purchase of Standing Timber**

- **AUTHORIZED SIGNATORY**
  A bid must be signed as follows: 1) if the bidder is an individual, by her/him personally; 2) if the bidder is a partnership, by the name of the partnership, followed by the signature of each general partner; and 3) if the bidder is a corporation, by the authorized officer, whose signature must be attested to by the Clerk/Secretary of the corporation and the corporate seal affixed.

The City of New Bedford requires all corporate vendors soliciting business with the City of New Bedford which are not Massachusetts Corporations to be registered as a Foreign Corporation in the Commonwealth of Massachusetts. Therefore, “out of state businesses”, in accord with Massachusetts General Laws Chapter 156d, Section 15.01, must register as a foreign corporation doing business in Massachusetts and appoint a Resident Agent for service of process within the State of Massachusetts. The necessary forms may be downloaded from the state web site [www.state.ma.us/sec](http://www.state.ma.us/sec).

No Bidder may withdraw his/her bid for a period of thirty (30) days, excluding Saturdays, Sundays, and legal holidays, after the actual date of the opening thereof.

- **USE OF OTHER NAMES AND REFERENCES**
  *Unless otherwise stated, the use of manufacturer’s name and product numbers are for descriptive purposes and establishing general quality levels only. They are not intended to be restrictive, but utilized where no other manner of description will suffice. Bidders are required to state exactly what they intend to furnish, otherwise, it is fully understood that they shall furnish all items stated.

  *The jurisdiction reserves the right to determine whether something is of equal value.

- **INSURANCE REQUIREMENTS:**
  Vendors doing business with the City of New Bedford are required to provide a copy of their insurance policy, including all endorsements that list the City of New Bedford as an additional insured in the amounts as specified herein. (*some coverages may not be required)

- **ALTERNATE PRICE**
  If an alternate price is requested and you estimate that there is no change in price for its inclusion, please indicate by writing “no change,” “N/C,” or “0” in the space provided. DO NOT use “N/A” or leave the space blank as these notations may cause your bid to be rejected.

- **ENVIRONMENTAL GUIDELINES**
  The City of New Bedford encourages the use of environmentally preferable products and services (EPP’s) whenever possible. Such products or services must perform to satisfactory standards and represent the best value. EPP’s are products or services that help conserve natural resources, reduce waste, promote the use of recycled materials, clean technologies and protect the health of the public and the environment.
• CONTRACT TYPE AND TERM
  This is a firm, fixed-price contract for a period of 12 months.

• RULE FOR AWARD

The contract will be awarded to the responsive and responsible bidder offering the highest price total price for the timber.

The City of New Bedford reserves the right to reject any and all bids if it is in the public interest to do so.

The City of New Bedford is soliciting proposals that will result in a contract. The schedule of events for this solicitation, subject to amendment by the City of New Bedford is:

Project Specifications

The City of New Bedford’s Department of Public Infrastructure is seeking bids from qualified loggers for the purchase of standing timber located within its watershed forest.

The bid is for the purchase of approximately 111,360 board feet of standing timber and 26 cords of firewood marked with blue paint for cutting approximately 25.2 acres. A summary of species and sizes are attached.

“X” marked trees shall be removed or girdled with a double saw cut.

Logging chance is good to excellent. Timber quality is fair to excellent. Access is from Long Point Road, Lakeville, MA. No mill may be set up on this lot. All slash must be lopped to lie no more than two (2) feet above ground. No logs longer than 33 feet or forked or multiple stemmed trees may be skidded whole. Main skid roads must be agreed upon prior to cutting by the Consulting Forester. At the completion of the job, the operator must repair any deep rutted or erosion on skid roads before leaving.

The successful bidder will pay 50% of the total bid before cutting and 50% when in the opinion of the Forester, 50% of the timber has been removed.

There is a site visit scheduled for Friday, November 30, 2018 at 10:00 am. All interested parties should meet at the Department of Public Infrastructure, 1105 Shawmut Ave., New Bedford, MA.

Conditions:

1. The Bidder must have a license to harvest forest products. A copy of the license is to be provided with the bid.
2. The bidder must abide by the Forest Cutting Practices and Forest Fire Laws of the Commonwealth of Massachusetts and any other laws pertaining to the operation. The Bidder must assume all liability for any unlawful acts or injuries by or to his workers or independent contractors working for them.
3. The logging will be carried out in a manner satisfactory to the Consulting Forester and can be suspended by him of the City if conditions of the contract are violated.
4. Only those trees so designated in the contract will be cut. The cutting will start at the rear of the lot and work toward the access point. “Bumper trees” will be removed last, as each area is completed. The Bidder will pay as liquidated damages three (3) times the contract stumpage price for any undesignated trees cut, provided that they will not be liable for this penalty if a few trees are cut for necessary roads and skid ways.
5. Unmarked trees and reproduction must be protected during the logging by leaving them uncut and free of slash. The felled trees must be limbed and topped BEFORE they are skidded to the landing.
6. Trees must be utilized to their fullest reasonable extent. Stumps must be cut low but left with paint mark showing.
7. The minimum number of roads and skid ways needed will be located with the approval of the Consultant Forester. All main logging roads will be left free of slash.
8. No unnatural debris will be left after completion of the operation.
9. Title of all wood will remain with the City until paid for, and will revert to the City after expiration of time of removal, including extensions, if any, or if the terms of the contract are violated.
10. The successful bidder will have to provide proof if Employer’s Liability and General Liability insurance with a minimum policy limit of $1,000,000.00. the City shall be listed as an additional insured on the General Liability policy.

11. This project is contingent upon approval of Local, State and Federal Agencies.
