City of New Bedford prepares for winter storm

Emergency parking ban effective at 2:00 a.m. on Saturday, March 2

City libraries, Buttonwood Park Zoo to close Saturday; McCoy Recreation Center closed; Senior dance at Fort Taber cancelled on Sunday

New Bedford, Massachusetts– The National Weather Service has issued a Winter Storm Warning for Southeastern Massachusetts including Bristol County and New Bedford in effect from 1:00 a.m. until 7:00 p.m. on Saturday, March 2. The National Weather Service predicts heavy wet snow, and total accumulations of 4 to 7 inches. Snow is expected to begin late Friday night, with the heaviest snowfall and reduced visibility on Saturday morning. Storm conditions are expected to occur late tonight into the morning making travel difficult during the morning commute, with slippery road conditions.

The Buttonwood Park Zoo will close on Saturday, March 2. New Bedford public libraries will close on Saturday, March 2. The Andrea McCoy Recreation Center will also be closed on Saturday. City offices are closed for the weekend.

The senior dance at Fort Taber scheduled for Sunday, March 3 has been cancelled.

The New Bedford Regional Airport will remain in operation, but passengers are advised to check the status of their flights as cancellations are expected.

Citywide Snow Emergency Parking Ban Effective at 2:00 a.m. Saturday, March 2

In preparation for the approaching snowstorm, the City of New Bedford has announced a citywide snow emergency parking ban to take effect at **2:00 a.m. Saturday**. The parking ban will be strictly enforced and will remain in effect for 48-hours thereafter, unless lifted or further extended by City officials. The parking ban is designed to allow City workers to efficiently

remove snow from New Bedford roadways to permit public safety vehicles and residents to travel safely.

While the snow emergency parking ban is in effect, parking is **permitted on the north side** of all streets going east and west, and is **permitted on the east side** of all streets going north and south. The permitted side of the street is typically the side opposite of the fire hydrants.

Please note that on streets which are normally posted for parking on one side of the street only, residents are to obey the signs as usual.

Vehicles should never be parked within ten (10) feet of a fire hydrant or twenty (20) feet from a corner as required by law, regardless of whether a snow ban is in effect, or not.

Double-sided Parking Ban Areas

To increase public safety during storm events, two years ago the areas designated for a double-sided parking ban were expanded to include sections of five new streets (listed below), in addition to the Downtown and Acushnet Avenue Business Districts where a double-sided ban has been in place in years past.

The new street sections were selected because they are major routes for ambulances, school buses, and SRTA buses, and have a history of large vehicles being unable to successfully navigate due to the narrowness of the street.

During a snow emergency parking ban, no parking is therefore permitted on either side of the street in the following areas:

- Downtown Business District: Downtown New Bedford between Walnut Street northerly to the Octopus and County Street easterly to JFK Boulevard
- Acushnet Avenue Business District: Acushnet Avenue, Coggeshall Street to Tarkiln Hill Road
- Ashley Boulevard (from Nash Road to Coggeshall Street)
- County Street (from Union Street to Sawyer Street)
- Kempton Street (from Rockdale Avenue to Pleasant Street)
- Mill Street (from Rockdale Avenue to Pleasant Street)
- Cottage Street (Union Street to Durfee Street)

Map and information on parking bans are available at: <http://www.newbedford-ma.gov/traffic/snow-bans/>

Violations of the snow emergency parking ban will be subject to ticketing at \$50 per ticket and towing at full cost to the owner of the vehicle towed. The vehicle owner is also responsible for the full cost of storage for any towed vehicle.

The City of New Bedford has designated the following areas as preferred parking areas for those residents in need of off-street parking while the emergency snow parking ban is in effect:
