Citywide Snow Emergency Parking Ban Effective Midnight Tonight, Sunday, February 7, 2016

In preparation for the approaching snowstorm, the City of New Bedford has announced a citywide snow emergency parking ban to take effect at **midnight tonight, Sunday, February 7, 2016**. The parking ban will be strictly enforced and will remain in effect for 48-hours thereafter, unless lifted or further extended by City officials. The parking ban is designed to allow City workers to efficiently remove snow from New Bedford roadways to allow public safety vehicles and residents to travel safely.

While the snow emergency parking ban is in effect, parking is **permitted on the north side** of all streets going east and west, and is **permitted on the east side** of all streets going north and south. The permitted side of the street is typically the side opposite of the fire hydrants.

Please note that on streets which are normally posted for parking on one side of the street only, residents are to obey the signs as usual.

Vehicles should never be parked within ten (10) feet of a fire hydrant or twenty (20) feet from a corner as required by law, regardless of whether a snow ban is in effect, or not.

Double-sided Parking Ban Areas

To increase public safety during storm events, as of January 2016, the areas designated for a double-sided parking ban have been expanded to include sections of five new streets (listed below), in addition to the Downtown and Acushnet Avenue Business Districts where a double-sided ban has been in place in years past.

The new street sections were selected because they are major routes for ambulances, school buses, and SRTA buses, and have a history of large vehicles being unable to successfully navigate due to the narrowness of the street.

During a snow emergency parking ban, no parking is therefore permitted on either side of the street in the following areas:

- Downtown Business District: Downtown New Bedford between Walnut Street northerly to the Octopus and County Street easterly to JFK Boulevard
- Acushnet Avenue Business District: Acushnet Avenue, Coggeshall Street to Tarkiln Hill Road
- **Ashley Boulevard (from Nash Road to Coggeshall Street)**
- **County Street (from Union Street to Sawyer Street)**

- **Kempton Street (from Rockdale Avenue to Pleasant Street)**
- **Mill Street (from Rockdale Avenue to Pleasant Street)**
- **Cottage Street (Union Street to Durfee Street)**

Violations of the snow emergency parking ban will be subject to ticketing at \$50 per ticket and towing at full cost to the owner of the vehicle towed. The vehicle owner is also responsible for the full cost of storage for any towed vehicle.
