CATALYTIC CONVERTER THEFTS

There is an apparent increase in CATALYTIC CONVERTER thefts in the Hollenbeck Area. Incidents are occurring during morning watch hours. The most common vehicles that are being targeted are Hondas & Toyotas.

If you have any questions or information, please contact Hollenbeck Auto Detectives @ (323) 224-0100.

CATALYTIC CONVERTERS

>Catalytic converters contain small amounts of valuable metals like platinum, palladium, or rhodium & command a good price as scrap metal, with some converters selling for as much as \$640.

>SUVS & 4X4 vehicles are at particular high risk due to it being easy to crawl underneath & remove quickly.

>Be aware of anyone carrying a sawzall, a tool used to remove catalytic converters

PLEASE CONTACT HOLLENBECK AUTO DETECTIVE YOUNG @ (323) 224-0106 OR AUTO DETECTIVE TABLE @ (323) 224-0100 DURING BUSINESS HOURS. CONTACT HOLLENBECK WATCH COMMANDER @ (323) 342-4101 DURING OFF HOURS.
