FRAUD SUSPECT ARRESTED

Dalevaun Lee Hooks
Age: 25 Booking #4283651
Resident of Los Angeles

On February 21, 2015, ESPD received a report regarding credit card fraud. Five individuals had dined together at P.F. Chang's in El Segundo, each paying with separate credit cards. Within a week after visiting P.F. Chang's, all five of them discovered fraudulent charges on their respective credit card accounts. The server was identified as the pictured subject.

On Monday, March 30, 2015, at 6:20 pm, an off-duty officer was dining at P.F. Chang's and witnessed suspect Hooks scan a customer's credit card through a card reader he kept in his back pocket. Uniformed officers responded to P.F. Chang's, contacted Hooks and recovered the card reader. Hooks admitted to stealing the credit card information of dozens of customer's over the past 5 months while working as a P.F. Chang's server and bartender.
