Dear Customer,

On Saturday July 29th, 2017 Con Edison will be installing a new gas main in the area of N. Greeley Ave between Maple Ave and King St. Approximately during the hours of 9am-12pm there will be a brief planned release of gas into the atmosphere. During this time you may smell a possible gas odor in the area.

As always if you feel you have a gas odor in your home please call 1800-75-CONED.

Sincerely,

Melissa Corniel
