While on patrol at approximately 2250 hours on 05-01-2019 I, Sgt. Straight, was traveling westbound on Woodson Rd. approaching Harlan Ln. I observed a silver 2010 Hyundai traveling eastbound on Woodson Rd. approaching Harlan Ln. The vehicle failed to dim its bright lights for oncoming traffic. After the vehicle passed by me, I turned around at the intersection of Woodson Rd. and Harlan Ln. and heard the vehicle accelerate away from me. I confirmed the vehicle's speed with my LIDAR. The vehicle was traveling 47 mph in a posted 30 mph

zone. The roadway was wet, and it had been raining. I stopped the Hyundai, displaying TX LP # xx, and made contact with the driver.

As I spoke to the driver, I could smell the odor of what I know to be raw marijuana coming from inside of the vehicle. A small hand gun (High Point serial #xx) was located on the front right passenger floor and another hand gun (Jimenz Arms serial #xx) was in the door of the front right passenger door. Both handguns were loaded, with a round in the chamber. All three subjects were Mirandized (CCP Art. 38.22) and stated they understood their rights. Hill stated on camera (Unit #77) that the marijuana was his.

Both hand guns were checked through MCSO Dispatch and both were showing not to be stolen at this time. The suspected marijuana was tested with a NIK field test kit and tested positive for marijuana. The marijuana was weighed on the Ohaus triple beam balance scale and weighs approximately 83.1 grams (2.93 ounces). I contacted ADA Dudley and ADA Dudley accepted charges for Possession of Marijuana and Unlawful Carry of a Firearm. On 05/02/2019 at approximately 0905 hours I, Officer Saulter, was contacted by Detective Rogers (Unit 2715) in regard to a resident, at xx Susan, calling in about a truck parked in front of his residence possibly by an ORHS student. Upon arriving to the location, I observed a black Ford F150, displaying TX LP #xx, parked on Susan Lane. The vehicle was parked facing W/B along the curb line. Signs posted throughout the Oak-10 neighborhood inform drivers that vehicles that are parked on the roadway between 0630 hours and 1130 hours must display a valid parking permit. The signs also inform drivers that vehicles without a permit are subject to being towed. As I passed by the Ford, I observed there was no Oak Ridge North resident parking permit or visitor hang tag displayed on or inside the vehicle. The registered owner of the vehicle is Domony W. McClintock III, xx , Spring, Texas 77386. Because the vehicle had no permit or hang tag displayed during the designated hours, the vehicle was towed by Keith's Towing and stored at 27714 Robinson Road.

On 05/02/2019 at approximately 1821 hours Sgt. Straight (2703) and I, Officer Durham (2728) were waved down by a female driving a black passenger car at the intersection of Hanna Rd and Robinson Rd. I asked the female to relocate to the parking lot of TADA Dance Studio, located at 26803 Hanna Rd. The female identified herself as Medina

Dioselina (H/F; DOB xx) by her TX DL #xx. Dioselina stated her son, Hector Borrás (H/M; DOB xx), was sleeping at her house located at 28711 Robinson Rd. Dioselina stated Borrás had warrants for his arrest and had been hiding from the police. Dioselina stated Borrás told her he had been involved in a stabbing that took place a few days ago at an apartment complex. I ask Dioselina if Borrás told her what complex. Dioselina stated the apartments near IH 45 South and Rayford. Dioselina stated that Borrás had told her that he and his girlfriend, Hannah Stephens (W/F; DOB xx), were at a club before the stabbing. Dioselina stated Borrás said the kidnapping had taken place at a club before they arrived at the apartment complex. Dioselina mentioned Stephens had been selling meth recently and did not know if the kidnapping was related. Dioselina stated she did not want Borrás to find out that she was the one that told the Police. I advised MCSO Dispatch and asked for a MCSO Deputy to check by my location. I spoke with Deputy Perez (2P1030) and advised him of the call. Deputy Perez, Deputy McCarty (2P1004), and Deputy Ellis (2P1022) arrived at 28711 Robinson Rd. and took custody of Borrás without incident. Deputy Perez asked me to get a voluntary statement from Dioselina concerning the information she told me and any other information she may know. I asked Dioselina to complete the voluntary statement form. Dioselina told me that the information she gave me earlier was wrong. Dioselina told me I had heard the information wrong and she would not complete the form. Dioselina stated she did not want to write the information down she heard from Borrás because it could be wrong information. I advised her the information she was told would be a help to detectives in determining what happened in the case. Dioselina denied stating what she had said prior to Borrás' arrest. Dioselina stated she was afraid her son would find out that she told the Police. Dioselina then stated the information she told me was from a text message. I asked Dioselina who sent the messages. Dioselina stated they were from one of Borrás' friends. Dioselina stated she was unsure about the friend's name and his number. Dioselina did not state to what phone the messages were sent to. Dioselina was released and drove away.

I advised Deputy Perez that Dioselina refused to complete the voluntary statement form.

The Lidar indicated the vehicle was traveling 66 mph and the highest posted speed is 45 mph. I stopped the vehicle in the 26700 block of the IH 45 North Feeder Rd. The driver was identified by name and date of birth as Cecilia Molina (W/F; DOB xx). She was unable to provide a valid insurance card for the vehicle. My MDT showed the insurance, Infinity County Mutual, policy #xx, expired on 12/04/2018. A check with MCSO Dispatch revealed that Molina's TDL, # xx, was Not Eligible due to the following:

Due to the active suspensions and no liability insurance, Molina was arrested for the offense of Driving While License Invalid (enhanced with no insurance).

On 05/05/2019 at approximately 0530 hours I, Officer Jared Young, was patrolling the business complex at 26797 Hanna Road. I observed the front glass door to Simon's Barber Shop was shattered. I did not observe any suspects when I arrived on scene. There was no alarm sounding at the business. I entered the business through the broken glass door to search for any suspects and I did not observe any suspects while clearing the building. I did not observe any object in the barber shop or in the parking lot that could have been used to shatter the glass.

The scene consisted of a bench seating along the north wall of the shop and six barber chairs with desks on the south wall of the barber shop. The middle area between the barber chairs and the benches was an open area. I asked James to look around and see if he saw anything that had been taken from the business. After looking around, James stated that nothing was missing. I asked James if there had been any disgruntled customers, employees, or former employees. James replied that there have not been any issues with anybody at the barber shop. I advised James that the power cord to the electric clippers at the second chair was cut but all the other cords at the other barber chairs were not. I asked James for the value of the clippers and the glass front door. James advised that the clippers were valued at \$80.00 and the front glass door was estimated to be \$700.00.

I asked James if there were any security cameras at the barber shop and he advised that there were no cameras. I asked James if there was an alarm system at the location and he advised that there was not.

I did not observe any security cameras around the other businesses located by the barber shop.

I gave James a contact card with a case number. I advised James to call if any suspicious behavior occurs during business hours or if he discovers any new information. Currently the suspect in the offense is unknown.

On May 06, 2019 at approximately 0900 hours, I Officer Saulter was leaving the parking lot of Oak Ridge North Police Department approaching Robinson Rd. when Officer Stafford and I observed two white males in a white Ford E250 van heading eastbound towards Hanna Rd not wearing their seatbelts. I pulled behind the van and activated my emergency lights and stopped the vehicle in the parking lot of the Montgomery County Community Center located at Robinson and Hanna. I exited my patrol car and approached the van on the left driver's side. The driver was identified as Andrew R. Hart (W/M DOB xx) from his Texas driver's license and the passenger was identified as Walter A. Cordova (H/M DOB xx) from his Texas Identification card. After speaking with the occupants of the vehicle, I returned to my patrol vehicle and ran them both through MCSO database. The driver showed to have a not eligible license due to a suspension for no insurance and the passenger showed to have an active warrant out of County Court of Law #1 in Montgomery County. Once I discovered this, I approached the passenger and asked him to exit the vehicle and I explained to him what I was about to arrest him for and take him to jail. I did a pat down and placed Walter in custody and he advised me that he understand why he is going to jail. He explained to me he was taking care of the issues and had court on 05/07/2019 in Willis, TX at Judge Wayne Mack's court (MCSO Pct 1). Due to me talking to the driver, the suspect told my partner (Officer Stafford) that he had a little bit of marijuana under the passenger seat in a black box. Officer Stafford located the black box under the passenger seat where Walter stated that it was. Officer Stafford handed the marijuana to me so I could place it into evidence. The marijuana was tested using a NIK test kit and had a positive test result. I then transported Walter to the MCSO South County Jail for booking without incident.
