

## Flavor Finder for noosa yoghurt

### Job Description:

Calling all foodies! Does your Instagram feed have more food than faces? Are deliciously unexpected flavor combinations kind of your thing—like sea salt in chocolate milk, or sriracha with peanut butter? Do your friends and family always come to you for restaurant recommendations?

If you answered “heck yeah” to any of the above, noosa yoghurt has the ultimate side hustle for you! We’re hiring five foodies to go on an epically delicious adventure. And you have just one mission—find inspiration to help create the next noosa yoghurt flavor... and document your tasty travels, of course!

Do you have what it takes to enter the noosa #flavorfindercontest?

### Responsibilities:

- Travel far, near, or nowhere at all, to find the most interesting and inspiring flavors (on our dime)
- Share your travels and tastings on social
- Help inspire the next noosa yoghurt flavor

### Qualifications:

- Must have the skills to take mouth-watering #foodie pics
- Must be willing to try new foods and flavor combinations
- Must have a zest for adventure

### The Deets:

- Start date: 5/7; End Date: 9/1
- First up—an immersion trip to the noosa farm in Bellvue, Colorado to learn about our yoghurt
- Next—receive a \$2,000 stipend for your Flavor Finding adventure(s)
