

## **Production Manager**

noosa yoghurt - Fort Collins, CO

G'day!

We are looking for a **Production Manager** to lead our excellent production team in making the finest yoghurt!

Our plant is located just north of beautiful Fort Collins Colorado. noosa is no ordinary yoghurt company. We're a fast-growing, intensely passionate, convention-breaking group of people who all share an obsession with making the best yoghurt on the planet.

Our **Production Manager** is key to making this happen.

We are looking for someone experienced in a Production Manager role in food production.

**JOB SUMMARY:** Our Production Managers are responsible for ensuring the safe, quality, and efficient production of the finest yoghurt. This means leading and managing a production team of 25-30 individuals, ensuring GMP and safety standards are followed, and working across all functions to ensure we continue to make the best yoghurt on the planet.

Our Production Managers work under the direction of our VP of Operations.

### **ESSENTIAL FUNCTIONS:**

- Planning, scheduling, managing and supervising the production process.
- Maximizing efficiency and effectiveness of production team.
- Responsible for compliance with GMP and quality standards for the shift.
- Mentor/train production team members.
- Ensure compliance with standards and policies.
- Responsible for record-keeping for the shift.
- Assist in troubleshooting and process improvement efforts.
- Supervise production team including scheduling, performance evaluation and disciplinary actions.

KNOWLEDGE/SKILLS/ABILITIES:

- Must be proficient with basic HMI as well as typical computer software applications (Microsoft Office suite; ERP).
- Demonstrated expertise and skill with production and packaging equipment.
- Strong people leadership and management skills.
- Strong understanding of food (specifically dairy) manufacturing requirements (GMP, PMO).
- Demonstrated experience with improvement processes such as Kaizen, Six Sigma, Lean Manufacturing or Root Cause Analysis.

EXPERIENCE/EDUCATION:

- Bachelor's Degree strongly desired.
- 5-7 years of experience working in a supervisory role in a food manufacturing environment (CPG) required.
- 3-5 years' experience in direct management/leadership role managing direct reports required.

Works 12 hour shifts, 3 days on, 4 days off; 4 days on, 3 days off.
