# STEWARDSHIP

*noun*  
the careful and responsible management of something  
entrusted to one's care.

Please join us for this 8-week course! You will learn how to think critically and biblically about areas of responsibility that have been entrusted to you by God and become a more faithful steward of God's resources in every area of your life.

Easter Hosting includes: picking your student up (if needed), taking them to church with you if possible, having them to your home for a meal, and returning them home. Simply include them in your family traditions! **To Register**, please go to Prism's website: [www.pghcommission.org/holiday-hosting.html](http://www.pghcommission.org/holiday-hosting.html), and click the link for the sign up form at the bottom of the page. **Questions?** Contact Pastor Matt: [matt@northgatechurch.com](mailto:matt@northgatechurch.com)
