

The logo features a central horizontal banner with a gold border containing the text "VINTAGE THEATER COLLECTIVE" in a black, monospace-style font. Above the banner is a decorative flourish of black and gold leaves and scrolls. Below the banner is a large, symmetrical, inverted decorative element with a central gold and black shield-like shape and radiating black lines. On either side of the banner are small gold and black icons: a hand holding a pen on the left and a hand holding a book on the right.
