

Service Provider Partnerships

One of the ways ICSN seeks to serve schools is to develop partnerships with vendors to provide your schools essential services discounted rates. Below is ICSN's current lineup of partners. Contact Marcie to learn more about any of them and to share ideas for other types of partnerships your school could benefit from. Marcie@indianacharterschoolnetwork.org.

Enrollment: IFF

For public charter & private schools serving low-income communities, IFF offers affordable financing and real estate services at every stage of school development

Contact: Nate Lichti at nlichti@iff.org

Enrollment: MySchoolOptions.org
