

Ohio RESA System Requirements

The RESA Submission System is a web-based platform that teachers can access from their home or school using a browser running on a Windows operating system (using PC hardware) or Macintosh operating system (using Apple hardware).

For the best user experience and most secure environment, we recommend that teachers adhere to the following technical requirements.

Operating System and Browser Support

The RESA Submission System supports the newest versions of most browsers to ensure a secure environment and to enable a more powerful and user-friendly experience.

PC Hardware				
Internal processor of 1.6 GHz or faster with 1GB of RAM				
Operating System	Browser			
	Edge	Firefox (1)	Safari	Chrome
Windows 10	Edge (latest version)	70 or higher		64 or higher

Note: A gray box indicates that the browser is not supported by the operating company and/or the operating system.

Apple Hardware				
Internal processor of 1.83 GHz or faster; or PowerPC G4 and G5 of 1 GHz or faster; 1–2GB of RAM				
	Browser			
	Edge	Firefox (1)	Safari	Chrome
Operating System				
Mac OS X 10.11+		70 or higher	Safari 10.8 or higher	64 or higher
iPad iOS 10.X (for upload only)			Safari iOS12 or higher	

Note: A gray box indicates that the browser is not supported by the operating company and/or the operating system.

Screen Size	Minimum screen resolution of 1280 x 768 or higher (1280 x 960 preferred) for optimal viewing
