**Describe how the brain injury has affected your child's behavior.**  
**Example:** *At home we post a detailed list of things for him to do on the refrigerator. This helps him remember what he needs to accomplish.*

---

**What have professionals recommended?**

**Example:** *Last year his art teacher teamed him up with another classmate who was doing the same task.*

**What were your child's strongest abilities or talents in school?**

**Examples:** *Zach enjoyed reading and would not put a book down until it was completed.*  
*Allison always looked forward to science class and worked on her own science experiments at home.*
