

April 2015

Dear Music Lover,

The Mid-Atlantic Symphony Orchestra is launching its 2015 "**BRAVO, Maestro!**" **Campaign** offering 10 attractive Thank You Gifts sure to tantalize our patrons and delight the lucky winners. This year we have the special opportunity to recognize the 10th Anniversary of our beloved Maestro, Julien Benichou, joining the MSO and know that a successful "**BRAVO, Maestro!**" **Campaign** is just the beginning of the celebration!

The success of previous "BRAVO, Maestro!" Campaigns has allowed us to bring you impressive performances of dynamic programming, in spite of challenging economic times. We are finalizing our 2015-2016 Season Series showcasing great works and performers that will bring special enjoyment and excitement to our audiences, while we celebrate Maestro Benichou's 10th Anniversary throughout the season! It will be a special year, indeed.

If you have participated in our "BRAVO, Maestro!" Campaigns in the past, you already know the importance of the Campaign and how it enables us to continue to bring outstanding symphonic music to the communities we serve. Please extend your support and participate again. If you did not participate previously, we hope you will lend us your support this year.

To enter this drawing, which will take place at the MSO Board Meeting on June 10, 2015, complete the enclosed form and send with \$100.00 for each ticket requested to the address below. You may be a winner of one of the gifts...but most important, all patrons are winners because your "BRAVO, Maestro!" support continues to "**Keep the Music Playing!**"

The MSO Board of Directors and I thank you for your most generous consideration.

With kind regards,

Nicoleen Willson, MSO Executive Director
