THE BRADBURYS

The Bradburys have been in Senegal since 2005. Paul is working with the Evangelism committee of the Senegalese Assemblies of God church, participating in evangelism campaigns throughout the country, and follow-up to the campaigns. He is also working with Christian schools for Senegalese children in the areas of finances, personnel, administration and technology.

Paula is the Office Manager at Dakar Academy, a K-12 school for missionary children. It has day students as well as students in a boarding program. The school provides an education for students from more than 35 countries. Most of the students are children of missionaries who serve in several countries in West Africa. About 25 per cent of the students are children of people working in businesses, embassies or NGOs in Dakar.

Paul and Paula also assist with extra-curricular activities at the school such as coaching sports teams and village outreaches. The Bradburys participate in neighbourhood outreach and evangelism as well. Helping some of their neighbours with education, housing, and medical needs often provides an opportunity to introduce them to the gospel.
