

Home Missions

Pennies For Pioneers:

We have only one month left in 2010 to reach our goal of \$110,000! Thank you so much for what you have given so far this year. If you have not reached your local penny goal for 2010 put a push on and let's do our best to support the work of Home Missions.

REMINDER: All Pennies For Pioneers funds need to be sent to PAONL by Dec. 15th to receive credit for 2010.

Home Missions "Adopted Family:"

You have been informed by mail as to who your family is for this year (Nov. 2010 – Nov. 2011). Please prepare a Christmas gift for them, also stay in touch throughout the year through cards, calls, emails etc. Remember to consistently pray for them and the community that they minister in.

If you would like a picture and profile of your " Adopted Home Missions Family" you can visit paonl.ca and click on missions then home missions and you will find a printable profile.

Special Project: "Placentia Bible Blitz" – If you have not already contributed to this project you are encouraged to do so by calling RBBH St. John's (753-6464) and indicating that you would like to donate a Bible to the Placentia ministry and they will bill you \$28.00 per Bible. The Bibles will be picked up by the Pastors and put to good use!

IDEA: If there is a Home Missions church in close proximity to you then why not do something to help them out? Your Women's Ministries group could travel to that community and put off an outreach event for them. Maybe you have resources or supplies that you could give or share with them. Ask the question "How can we help you?" You'll be glad you did!
