Re: Discipleship Survey

Thank you for participating in the enclosed survey!

This tool is an essential component in our Discipleship strategy and thus we are looking for FULL participation. Please note the following instructions and communicate the essential pieces to your congregation before you administer the survey:

1. The survey is anonymous. Please do not put your name on the response form.
2. Please complete all the questions by circling the appropriate number, which reflects your opinion or answer. Please do not "over-think" your response but answer with your initial impressions.
3. There are no "right" or "wrong" answers. We want to know what you truly feel and think.
4. The survey is meant to provide you with a voice on the status of the Pentecostal movement within Newfoundland and Labrador.
5. All surveys are to be distributed and collected in the same service. The survey is intended for your congregation's largest gathering, for instance, a Sunday AM setting either distributed pre-service or immediately following the service. Our recommended age is 14+.
6. We would suggest you administer the survey as soon as possible (possibly October 30) but do require that the surveys be returned to the PAONL head office not later than November 30.
7. Please consider using the survey as a part of that Sunday morning gathering to emphasize discipleship and that as a part of this fellowship we are passionate about fulfilling the Great Commission in our communities.

Thank you for your support and participation!
