CARBONEAR THE NORMANS

56 LeMarchant Street
Carbonear NL A1Y 1A9

Pastor Norman took up the pastorate in Carbonear in August 2012.

Carbonear, one of the oldest towns in Canada, considered “hub of the bay,” is the business centre for the area. The town boasts a 2006 population in excess of 6800, with more than a thousand students in the three schools has the potential of growing a thriving congregation.

The Norman’s desire is to lead the congregation to embrace family, friends and fellowship and together reach out to the needs of people around them
