NORTH WEST RIVER THE PENNEYS

Box 123

North West River NL A0P 1M0

The Penney's began their ministry in North West River in 2014. Many members of the present congregation are bused from the neighbouring Innu community of Sheshatshui. The assembly has grown from less than 10 to regularly more than 30. Children's ministry and visitation have been a consistent part of this ministry. Financially, the assembly is very close to covering all operating cost and pastoral support.

Pray that the gospel will bring the radical differences to the Innu that will lead to local people effectively ministering the gospel in their own culture.
